Von Suzanne G. Rogers : A Gift for Lara (The Love Letters Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Gift for Lara (The Love Letters Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I was a little annoyed...Von Katharina Gerlach (Indie Autorin)...because the couple's problems could have been resolved with one small discussion. However, since both characters were quite timid, it wasn't as outrageous a problem as in some

other love stories I have read. The emotions are well shown and the characters quite believable. A nice little read I got through a free trial period.

Kurzbeschreibung Lara Robinson wrote a love letter four years ago, but received no reply. Now the man to whom she gave her heart will visit Blythe Manor for Christmas. How can she enjoy the holidays knowing Miles Greystoke must despise her for revealing her feelings in such an unguarded fashion? As an awkward youth, Miles fell in love with a kindred spirit but his love was unrequited. Against his wishes, he is now obliged to spend the holidays at Blythe Manor. Time has wrought changes in his physique, but his devotion to Lara Robinson has never wavered. He searches for the perfect present to show her how he feels, but nothing seems quite right until he realizes the best sort of gift will embrace the true meaning of Christmas. A Victorian Christmas short story.
