**Von Chloe Thurlow : A Girl's Adventure - full length erotic novel (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Girl's Adventure - full length erotic novel (English Edition):

If you want to know the plot line, there is a very useful Book Description above. I think reviews should focus on the skills of the author, not on

recapping what the book is about. That said, *A Girl's Adventure* - full length erotic novel by Chloe Thurlow is a what most readers of this genre will want . . . it is a true novel with a well thought out plot, authentic dialogue and characters we can identify with characters that we care about. There is excitement and adventure, even surprises. Thurlow merges all those classic ingredients that make a good story and then adds steamy yet elegantly written x-rated scenes. Good writing and a real story make the sex even better! These are the books we should be hearing about instead of fifty shades. If this is your genre, this is highly recommended 5-stars! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow! Von Sophia Gampton This novel is amazing! Forget *Fifty Shades* or any other erotic novel out there which is repetitive and not worth reading after the first sex scene. This writer knows how to add spice and keep it going. The main character Greta May, a would be actress discovers a love of sex and debauchery which takes her into another world. The characters are all individuals but together paint a decorative and lurid scene. There is plenty of sex in this book and it is not for the faint-hearted but it is not cheap; the experiences of Greta May are described in great detail, yet it never feels dull or repeated. Greta May comes across as vulnerable but she discovers a strength about herself which grabs the reader's empathy as we follow her story to its conclusion.

**Kurzbeschreibung** A novel by best-selling erotic author Chloe Thurlow, themes includes BDSM, spanking, female submission, pony play and some water sports. When a mysterious stranger gives failed actress Greta May his phone number, she dreams of adventure and plucks up the courage to call him, but the moment she enters his flat he rips off her knickers and spanks her bottom. At first shocked and humiliated, Greta grows bewildered as the pain turns to pleasure, and after being tied to the bed for a thrashing, she agrees with rising excitement to play a game where she will win a prize if she does everything Richard demands. It is the beginning of an erotic journey of self-discovery, where Greta meets Dirty Bill, the water sports specialist; Vanlooch, who uses oils from unusual places to highlight his portraits, and the moody Count Ruspoli who, after bedding 10,000 women, has taken a vow of chastity. Can Greta save him? Under Richard's firm hand Greta finds her true nature through discipline and, after meeting film director and bogwash artiste Tyler Copic, she seizes the elusive prize: the chance to play the role that will change her life and put her back in the spotlight.
