You root for the lead characters and hope that they find happiness together and feel sad when they go through their difficulties. It tugs at your heart and propels to step forward. It is, one of those books.I had not expected to like this book so much. It is a typical historical romance, with a very attractive hero. I don't mind that. If the story delivers, I do not mind a little (or a lot of) cliché.The struggle for the hero was heart-wrenching. He does not want to like the heroine because her mother is the B word personified. Hero has a history with the heroine's mother (they slept together when the hero was a teenager.). All in all, hero cannot help but fall in love with the heroine, but is unwilling to admit that he is poorly besotted and refuses to show any tender affections toward the heroine. But of course he cannot help it. The hero is sponsoring a season for the heroine, as her legal guardian and wants (or does not want toThis book really came together for me, when after much internal struggle, the hero showed up in the heroine's room at night. He said "I am not fighting this anymore." And then there it was, he had me at hello.Unlike Julie Garwood or Lisa Kleypas who I have read and appreciated since my youth, Sophie Jordan is a new author for me. I am pleasantly surprised at how much I like this book and look forward to reading her new book soon.0 von 0 Kunden fanden die folgende Rezension hilfreich. makes you want to read the nextVon regencyobwohl die geschichte vllig verdreht klingt ist es eine erfreulich gut geschriebene geschichte und man freut sich schon auf den nächsten band1 von 2 Kunden fanden die folgende Rezension hilfreich. A former high school English teacher, she's also the New York Times bestselling author of Avon historical romances and the Firelight series. She now lives in Houston with her family. When she's not writing, she spends her time overloading on caffeine (lattes and Diet cherry Coke preferred), talking plotlines with anyone who will listen (including her kids), and cramming her DVR with true-crime and reality-TV shows.
