Lesegenuss garantiertVon Nina Romana GrabherEin tolles Buch und garantierte genussvolle Lesestunden. Lsst sich

wunderbar lesen und kann dieses Buch nur weiterempfehlen.

Kurzbeschreibung The spellbinding novel from the world's favourite storyteller Annabelle Worthington, born into a life of privilege, was raised amid the glamour of New York society. But everything changes on a cold April day in 1912, when the sinking of the Titanic alters her world forever. Finding strength within her grief, Annabelle throws herself into volunteer work, nursing the poor and igniting a passion for medicine that will shape the course of her life. But a seemingly idyllic marriage brings more grief, and pursued by a scandal Annabelle flees New York for war-ravaged France. There she finds her true calling, working as an ambulance medic on the front lines. When the war ends, Annabelle begins a new life in Paris - now a doctor and mother, her past almost forgotten. . . until a fateful meeting opens her heart to the world she had left behind. A stunning and uplifting historical novel from the incomparable storyteller Danielle Steel **Pressestimmen** Once again, the legendary Steel has combined triumph and tragedy to create the story of a woman who, though tossed by the whims of fate, still manages to survive on her own terms. **Booklist** Annabelle is one of the better protagonists. Steels fans will eat this up. **Publishers Weekly** From the Hardcover edition. **Werbetext** From the glittering ballrooms of Manhattan to the fires of World War One . . . A spellbinding novel from the world's favourite storyteller
