**Von Melanie Craft : A Hard-Hearted Man (Intimate Moments)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Hard-Hearted Man (Intimate Moments):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. good story--impressive first effort Von Ein Kunde I really enjoyed this book. I loved the Kenya setting--I just wish the author had included more detail about the animals and people of the area. The author created a good story with very appealing characters. Very impressive for a first novel. I hope Melanie Craft writes more books, as she is a welcome addition to the Romance genre!
