Von Peter Tonkin : A Head for Murder (Master for Defence Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Head for Murder (Master for Defence Book 2) (English Edition):

F.Weil ich meine angestaubten Englischkenntnisse wieder ein wenig aufpolieren wollte, hatte ich mir erst mal nur einen der historischen Krimis um den "Master of Defence" und "Master of Logic",

Thomas Musgrave, herunter geladen. Dieses Buch lesen und gleich alle weiteren 3 Bnde herunterladen, um sie ebenfalls mit hchstem Genu zu verschlingen, war unvermeidbar. Leicht zu lesen, fesselnd geschrieben und die Hoffnung weckend, da den aktuell 4 Bnden noch viele weitere folgen, um mit dem "elisabethanischen Sherlock Holmes" mitfiebern zu knnen. Falls es noch nicht klar zum Ausdruck gekommen sein sollte: mich haben diese Bcher vollkommen begeistert :-)

Kurzbeschreibung London 1594. Tom Musgrave rescues a beautiful girl from under the feet of a mob playing football on London Bridge. But her breathless thanks are drowned by horrified screams. The football has vanished. In its place, a severed head is rolling down into Southwark, into the jurisdiction of Tom's old friend, the Bishop's Bailiff Talbot Law. And Talbot must now investigate the crime. The skull has fallen from the Great Stone Gateway, where the heads of recently executed traitors are displayed. But the decapitated victim was no traitor and her head, like her sex, is markedly different from the others up there. Tom and Talbot begin their investigation with a search down-river. All too swiftly they discover a woman's headless body....But this body does not match the head. A killer is at work. And no one knows where they will strike next. A Head for Murder is a thrilling Elizabethan murder mystery, full of intrigue and suspense. It was previously published as 'One Head Too Many'. Praise for Peter Tonkin: A welcome aura of old-fashioned expertise - Publishers Weekly A good thriller, recommended - Library Journal Tonkin is a superb storyteller who creates big, brash, swashbuckling adventures with taut suspense, fast-paced action and tough, resourceful characters. Booklist Peter Tonkin was born in Northern Ireland, and was raised in the UK, Holland, Germany, and the Persian Gulf. He has written thirty novels including The Point of Death and The Coffin Ship. Endeavour Press is the UK's leading independent publisher of digital books.
