Terrific!Von Detra FitchSet in the year 1350. Lady Arabella is the eldest daughter of Duncan MacKenzie, Black Stag

of Kintail. After Arabella's father refused or frightened off all the suitors who had offered for her hand in marriage, Arabella decides to visit Seal Isles which had recently been added to her dowry to tempt new offers. Though the MacKenzies have had an ancient claim to the isles, no one has been there in a long time. With the support of her seer mother, Linnet, and Sir Marmaduke, Arabella is finally given permission to sail to Seal Isles. When an unexpected attack from the ominous Black Vikings sink the ship, Arabella is rescued by Darroc MacConacher, chief to his people and keeper of Castle Bane. It had been the MacKenzies that led the raid (now known as the MacConacher Slaughter) which left most all his people physically scarred and drove them from their lands. Now Darroc finally has the means to extract the vengeance his people deserve. Arabella has no idea that this is the clan her grandfather ruined. Her charm and good heart quickly works magic on Darroc's people. Darroc desires the enchanting lady and must fight to keep his distance from her. Due to interference from Mother Nature, compliments of a famous cailleach named Devorgilla, the MacKenzies and the MacConachers are isolated on their own lands. And Darroc now wonders if he will be strong enough to keep from falling in love with his enemy's daughter. ***** FIVE STARS! I do not normally read books about the Highlander clans, but occasionally the mood strikes and I pick one up. I am very happy that I chose this title to read. The main characters are well developed and the history between the clans is dark, yet intriguing. The author does not skimp on the secondary characters either. I came to care for several of them within both clans. I love the fact that even though Darroc has the right and desire for revenge upon the MacKenzies, his honor keeps him from venting this rage upon an innocent lass. The touches of magic add a mystical flavor to the story as well. Terrific!

Kurzbeschreibung Darroc MacConacher spends sleepless nights dreaming of a raven-haired beauty who makes him ache with desire. Then his dream comes true: the lady with her lush curves and fair skin appears shipwrecked on his shores. Darroc is immediately drawn to her strength and beauty, and from the moment she lays eyes on this powerful, broad-shouldered warrior, Lady Arabella MacKenzie knows she'll never want another man. But theirs is a forbidden love. The MacKenzies drove the MacConachers from their lands and destroyed their honor. Now, Darroc can use this sapphire-eyed seductress to shatter his foes. Yet how can he deny the passion that burns between him and Arabella, and ruin the one woman who touches his very soul? Praise for A HIGHLANDER'S TEMPTATION: "Welfonder's return to Kintail and its Highlanders offers another delightfully swashbuckling adventure for hero and heroine alike as she continues to weave magical tales of redemption, love, and loyalty amid the challenges of life in glorious, perilous mid-fourteenth-century Scotland."
