**Von Julie Lessman : A Hope Undaunted (Winds of Change Book #1): A Novel** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Hope Undaunted (Winds of Change Book #1): A Novel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Too much Faith, too little substanceVon ReadingtoomuchI really liked this book in the beginning, but the longer I read, the more I was disturbed by the Christian slant in this book. Being a practising Christian myself, I nevertheless was put off

by the strong preaching in this book. It took over the whole story, pushing the romance into the background and leaving me with a sour taste in the back of my throat. "Inspirational Romance" they call this genre, I call it thinly veiled preaching. An example: the author more or less states that there is a direct line down from God to your father to your husband, and that you have to completely obey your father and your husband as a direct result. When your husband tells you to quit your job, because a proper wife simply doesn't work, you don't discuss it with your husband, you pray about it...After about half of it, I simply had to stop reading. Too bad, because without the sermons, I would have enjoyed the story. Oh, and has the author considered that maybe not all her potential readers are Christians? If I wasn't a practising Christian, I would have asked for my money back...0 von 0 Kunden fanden die folgende Rezension hilfreich. One of my top FAVS of 2010! Von Kindle Customer What keeps a reader immersed in a story? More than just great characters that dance to life, but a passion that drives the story forward. A passion for God and the family that is held together in His love. A HOPE UNDAUNTED is just that kind of story. I admit I didn't like the heroine Katie, much at the start, she had such a long way to go before becoming likeable. I dangled by a thread while reading, bouncing back and forth like a ping pong ball as three men battled for Katie's affection. At one point in the novel I didn't know which way it was all going to go and was breathless. There were moments of angst and laughter as I traversed with the characters. The O'Connors have become my family. I know and love them better, the more time I spend with them. I rejoiced and nearly cried, my heart wrenching for Katie at the crux of her relationships. But in the end my heart sang with the affection I feel for these characters. But when I closed the last page and put the book my shelf, I was saddened. To leave them behind, these characters I have grown to cherish and adore is heart wrenching. Which I must say is the best part of a truly wonderful novel. Don't let this one pass you by! A treasure! This review is my honest opinion. Thanks to the publishers for my copy to review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Great Book by Julie Lessman! Von Megan Katie O'Connor is a spunky young woman with high standards for herself and the man she will marry. But when she breaks her father's curfew with Jack one too many times, she finds herself punished for the summer. Her punishment? Spend the summer volunteering at the Boston Children's Aid Society, which she finds makes her childhood nemesis, Luke McGee, her boss. I LOVED reading A Hope Undaunted! Katie, being the baby of the O'Connor family, was always a minor character and seeing her all grown up now was unbelievable. A Hope Undaunted was a wonderful book and I highly recommend it. I would strongly suggest that you read the Daughters of Boston Series before you read this book - as this story is a continuation of a family saga. Julie Lessman's books are my all-time favorites, ones I can read again and again!

Kurzbeschreibung The 1920s are drawing to a close, and feisty Katie O'Connor is the epitome of the new woman--smart and sassy with goals for her future that include the perfect husband and a challenging career in law. Her boyfriend Jack fits all of her criteria for a husband--good-looking, well-connected, wealthy, and head-over-heels in love with her. But when she is forced to spend the summer of 1929 with Cluny McGee, the bane of her childhood existence, Katie comes face to face with a choice. Will she follow her well-laid plans to marry Jack? Or will she fall for the man she swore to despise forever? A Hope Undaunted is the engrossing first book in the WINDS OF CHANGE series from popular author Julie Lessman. Readers will thrill at the highly charged romance in this passionate story.
