Frau, zu dick und beruflich zwar sehr engagiert aber wenig erfolgreich, ohne Geld, ohne wahre Liebe, ohne echte Familie. Dafr supersse von allen geliebte Kinder. Ihr erstes Buch findet sofort einen Abnehmer, sie nimmt super ab, sieht danach fantastisch genug aus um auf Titelbltter zu kommen, wird megaerfolgreich , findet einen Schauspielertraumann der sie abgttisch liebt, macht weiterhin Karriere als Schauspielerin und als Model und als Autorin. Sie erleben betrunkene Babysitter, bergriffe von Fans, Anfeindungen des Exmannes der diese aber sofort wieder fallen lsst, Verbrennungen, schwere Unflle, Geburten im Trailer am Filmset mit dramatischen Blutungen nachher, eindringende Mchtegernvergewaltiger, hab ich allesnee, es gab noch mehr! In einem Buch - also viel zu viel von allem. Eine wirkliche Beziehung zu den beiden Protagonisten kam so bei mir eben nicht auf. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Toller Start der Serie! Von Bcherkatze Die Geschichte um Dana und Edward ist ganz anders, als andere Bcher von R.L. Mathewson. Diesmal finden die beiden Haupt-Charaktere relativ schnell und unkompliziert zueinander. Dennoch mssen die beiden einiger Probleme Herr werden. Diese basieren auf Paparazzi, Ex-Ehemnnern und hysterischen Fans. Dana und Edward schaffen es, all dem zu trotzen und es scheint, als wrden sie mit jeder Herausforderung strker. Die Liebe zwischen den beiden ist so natrlich, selbstverstndlich und leicht. Man muss dieses Paar einfach gern haben. Man sprt diese Liebe beim Lesen richtig und man sehnt sich, in deren Schuhen laufen zu drfen, trotz aller Probleme rundherum. Ich kann das Buch allen empfehlen, die gern erotische Liebesromane lesen.

Kurzbeschreibung After wasting too many years on the wrong man Dana is finally able to free herself and her two children only to find herself thrown into the spotlight when her books become an overnight sensation. Suddenly her normal quiet life is gone forever and she's forced to deal with paparazzi, offers from porn companies, magazines, Hollywood and crazed fans all while trying to keep it together for her kids. She never dreamed she'd catch the eye of the most sought after bachelor in the world. Things like that just didn't happen to women like her, or did they? Having a life? What the hell was that? Edward couldn't remember what it felt like to live his own life without someone watching his every move. Thanks to the paparazzi and the internet nothing in his life was sacred. Out of desperation to keep some semblance of a life he stops living his own. His family and work are all he has left until he's made an offer he simply can't resist. Working with the famous author forces him to open his heart and take a chance. Winning the heart of the woman he loves while the world watches is anything but easy, but he never thought it would be dangerous. His only hope is that they get through it together.....and alive.
