**Von Frankie McGowan : A Kept Woman (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kept Woman (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.  
ErfahrungswerteVon chriswas soll man da kommentieren...? Eine upper-crust Familie und ihre 2 Kinder werden durch den Verrat + Verschwinden des Vaters komplett aus ihrer heilen Welt gestoen und mssen nun lernen, wie es ist, in der "normalen" Welt zurechtzukommen. Fast mchte man hhnisch sagen: "jaja, so lebt der Rest der Menschheit...!"

Bewundernswert ist allerdings die Mutter, die nicht nur den Glauben an ihren Mann aufrechterhlt, sondern auch die Familie zusammenhlt und nicht im Selbstmitleid versinkt, sondern beginnt, sich aufzurappeln und ihr Leben in den Griff zu kriegen. Packend geschrieben, mit guter Schilderung all der falschen Freunde mit "heie-Kartoffel-Syndrom", der verwhten Kinder sowie auch einfache Menschen mit oder ohne Herz. Ein gut gelungener lebensnaher Roman.

**Kurzbeschreibung**In the tough, uncompromising world of the Square Mile, fiercely ambitious Stephen Carmichael effortlessly climbs up the corporate ladder. At home, thanks to Serena, his adoring wife, mother of his two young children, his life is seemingly content. But when Stephen doesn't come home one night, Serena's perfect world comes crashing down around her. Millions of pounds has been stolen from the bank - and Stephen leaves no word or trace. A husband on the run, her assets seized, and a house repossessed, can this kept woman keep it together for a family that is falling apart at the seams? For Serena, who had it all, there is nothing left to lose...and everything to gain. Praise for Frankie McGowan: Forget rags to riches, this is a riches to rag story and all the more fun for it. A really good read. - Women's Weekly 'Will surely please everyone' - Sunday Times 'One of those indispensable sand sagas or towel tales, a good beach book in which to immerse yourself while relaxing.' - Daily Mail 'Tough, yet tender, A Kept Woman is a feminist romance, how a strong woman can thrive without losing her vulnerability and potential to fall in love. Go for it.' - Home and Life Frankie McGowan is a journalist and former magazine editor. Her novels include Ellie and A Better Life.

**Synopsis** Serena Carmichael had knowledge. Knowledge of herself - who she was, what she had, where she was going. Her most precious possession was her family - Louise, Harry and Stephen, her husband. The police thought she knew everything - a woman in so much control of her life must know where her husband is. Her friends can't believe she didn't know. Which makes her a dangerous person to have around. Her daughter only knows Serena doesn't know enough about her; her son isn't old enough to know much of anything yet. Which leaves Serena very much alone. The only thing she knows for certain - can hold on to - is that Stephen loves her. Doesn't he?
