I am going to say this again, I have had the pleasure and the honor of saying it a few times this week; I enjoyed interviewing Lynette Eason on my blogtalk show.If you tune into the show, you will gain some insights into the novel as I ask some pretty tough

questions and get to the real heart of the matter with her. You will get the skinny on this intense and enjoyable read. Here is what the novel has in store for you: Kit Kenyon is a first-rate hostage negotiator. Noah Lambert is a good detective with excellent instincts. The new partners have hardly had time to get used to each other when they are thrown into a grisly murder case. As evidence mounts up and more victims are found, Kit and Noah realize they are on the hunt for a serial killer. The problem is, he's hunting one of them too. With nail-biting suspense, clever plot twists, and a hint of sweet romance, *A Killer Among Us* is the latest thriller from Lynette Eason. It will keep readers up late as they race to discover the killer--and whether Kit and Noah will live to tell about it. What are thoughts on the read you ask? You don't have time to listen to me yap with Lynette? Okay I was totally enamored with the characters, loved her narrative, and enjoyed the prose. I am a sucker for character driven fiction, you know that by now, and this is just that, really good character driven fiction. The thing that also makes me smile as I read this is the Christian bend to it. I love it! How she and other authors of this publisher can carry this off time and time again is just amazing. I applaud them; my ball cap is off to them, and I want to read more of their work. Top to bottom top notch work, not a bummer in the bunch; I don't hesitate to suggest this read. Enjoy !!
