Von Susan Hill : A Kind Man before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kind Man:

Kurzbeschreibung Tommy Carr was a kind man; Eve had been able to tell that after half an hour of knowing him. There had never been a day when he had not shown her some small kindness and even after the tragic death of their young daughter, their relationship remained as strong as before. Grief takes its toll however, and it's not surprising that by the following Christmas, Tommy is a shadow of his former self, with the look of death upon him. But what happens next is entirely unexpected, not least for the kind man... Pressestimmen "Of all the contemporary novelists who are compared to Dickens, Susan Hill probably has the best claim... Hill has produced another perfectly controlled work of fiction... What is striking about the best of Hill's fiction... is her almost Bachian ability to plumb the depths of emotion and bring the reader back out again" (Amanda Craig Prospect) "Hill impresses without seeking to astonish, and so is one of those rare writers whose work is brilliant in the single, secondary sense- not glittering, but distinguished- her prose as pleasing and surprising, say, as a perfectly round stone, or home-cooked haute cuisine" (Ian Sansom Guardian) "Hill's writing here is superb, conveying emotion and pain in the sparest of prose... a comforting keenly moving tale of endurance and the eternal springs of friendship and love" (Philip Womack Literary) "It has a power beyond its pages; a haunting resonance between each stark sentence that stayed with me long after I'd turned the final page. The delicate balance between kindness and bitterness, hope and despair, a dying man and a dying town, are almost unbearably poignant. This is a short book that will live long in the memory" (Rebecca Armstrong Independent on Sunday) "Concisely captures primal emotions and offers astonishing transformations... Movingly perceptive" (David Grylls Sunday Times) Werbetext Susan Hill proves once again that she is one of our very best storytellers in this transfixing parable of greed, goodness and an extraordinary miracle.
