Von Gayle Callen : A Knight's Vow before purchasing it in order to gage whether or not it would be worth my time, and all praised A Knight's Vow:

"Black Angel" Atherstone. James Markham was also easy to visualize. Unfortunately, only Isabel had ambition in the one-note plot of *A KNIGHT'S VOW*. The Black Angel's attempts to achieve her goal of revenge though, were enacted through a series of scenes that led nowhere and became repetitious. Poor Isabel's low self-esteem made her a pitiable rather than a sympathetic character. Neither hero nor heroine fulfilled any need in the other, evolved, or worked together toward a common purpose. They did make numerous attempts to have sex, but were always interrupted. This tiresome device of many romance novels rarely builds tension (let them DO IT already) so when a couple finally comes together it had better be good. Sorry to disappoint, but this consummation was not climactic. In fact, the story, itself, had no climax. Use your apparent talent, Ms. Callen. Give your characters something to do and a story to do it in.

Von Jenna Mindel Gayle Callen's "A Knight's Vow" is truly a fabulous read that you will not want to put down or end. Ms. Callen takes the classic battle of the sexes to new heights of humor, excitement and tenderness. This book is brilliantly written with characters so memorable they quite jump off the page and grab your heart. It's a must read for fans of famous boy vs. girl pairings like Hepburn Tracy or Bruce Willis Cybil Shepard in *Moonlighting*. Ms. Callen draws the reader into James and Isabel's world easily. The sparkling dialogue that was full of double entendres and all out fun kept me entranced. The journey that James and Isabel take from being physically attracted enemies to deeply in love soul mates is very satisfying and will no doubt be considered a classic! What is most captivating is how Ms. Callen lets the reader truly "get into" her characters' heads. Behind the humorous humiliations, the serious competitions between boy and girl, are real emotions of heartache, failure and inadequacy. Isabel and James' triumph over their very human failings; they come to respect and cherish each other for who they truly are, not who they appear to be. This is a must read for any romance fan, not just medievals. I absolutely recommend it as a top-notch novel!

McCall Isabel Atherstone is the Black Angel, a woman whose life has been shaped by traumatic events in which she had no part - a horrible tournament injury inflicted upon her father by the father of the book's hero, James Markham. Because of what happened to her father, Isabel is raised with one goal, one driving motivation that forces her to drown out all of her natural needs and desires in order to attain it: gaining revenge on the hero's family. And to achieve this end, she is raised as a man. Raised to fight like a man, dress like a man, think like a man. Raised to be a warrior in the truest sense of the word... But she is a warrior with a woman's wounded heart. With this, her second book, Ms. Callen has risen to new levels by giving us a multi-faceted heroine who breaks the bounds. Isabel is hard as nails on the outside, yet vulnerable on the inside, unsure of herself and her ability to be a woman that any man - but particularly the handsome James Markham - could desire for his own. With superb writing style and excellently drawn, unique and exciting characters, Ms. Callen has written another winner in *A Knight's Vow*. Well worth every penny and then some!

Kurzbeschreibung He was her father's enemy, and now he was her husband by the king's decree. But that didn't mean Lady Isabel Atherstone planned on honoring James Markham, Earl of Bolton, with her love. She only hoped that her hasty marriage would bring her closer to the revenge she sought and finally restore her family's name. But then, the willful new bride hadn't counted on what would happen when her handsome husband took her to the marriage bed. James Markham was thunderstruck. Though an age-old family rivalry kept his new wife at arms against him, she quivered with desire beneath his touch. Now the newly married earl wondered if his passion would be his undoing. For though the lady swore she'd never love him, her eyes told another tale one that made the earl vow to possess her completely.
