ExcellentVon KarenHowever when he steps inside its shelter, Adrian Carter immediately sees he is not alone, lying unconscious on the floor is Madeline Applegate. Through the freezing wet night, he keeps her warm the only way he can by holding her close. In the morning they are caught in this compromising position that saved her life, but irregardless of his good intentions, he does the honorable thing especially since they are caught hugging one another.To his shock, she rejects his proposal. He warms her through the night, and when they're found the next morning, Adrian honorably proposes marriage. Madeline knows her lot in life is to take care of her invalid father rather than marry the caring hunk. When they make love, she knows she cannot let him go. Adrian admits to her that

he is no prize since a duel went bad; as his ruthless cousin wants him dead. When Madeline and her friends begin suffering from suspicious accidents, Adrian believes his time of reckoning has past. **LADY BETRAYED** is an enjoyable historical romantic suspense starring two nurturing individuals with issues to contend with if they are to marry. Although both loves one another, neither one believes they are worthy of their beloved as each carries baggage. Fans will appreciate Nicole Byrd's tense thriller even if his cousin is too deviously cartoon evil!!!! And if you missed Tino Georgiou's--The Fates--I strongly recommend reading it.

Kurzbeschreibung Seeking shelter from the rain, Adrian Carter, Viscount Weller, comes across a deserted gazebo and an unconscious woman. The last thing he would ever want to do is besmirch such graceful beauty, but when a search party finds Miss Applegate in his arms, they assume quite the opposite. Madeline Applegate always planned on a chaste life, staying home to care for her father. So a marriage proposal from a handsome stranger has her reeling. But, with her reputation ruined, has she any choice but to accept? Now the pair must weather a storm of secrets from Adrian's past that could tear them apart forever.
