**Von Ava Pennington : A Lady Compromised (The Ladies Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Lady Compromised (The Ladies Book 1) (English Edition):

KurzbeschreibungLovely and alone with a lecherous new guardian after her father dies, Lady Delia Ellsworth flees his wandering hands... but finds she has run straight into the bedchamber of the visiting Marquess of Durham, one of London's most eligible bachelors! Only just escaping with her virtue, she finds she cannot forget his kisses... When her guardian spreads the rumor that she has been compromised, Lady Delia takes matters into her own hands and escapes to London with nothing but her maid and her wits.Mason Broadstone, Marquess of Durham, is surprised to find himself the subject of London's gossips after an encounter in the country with the beautiful but scandalous Lady Delia Ellsworth. Once he hears he also seems to be the subject of a titillating new novel that has taken the town by storm, one with a compromised young lady and a lascivious guardian...he begins to think the exquisite Lady Delia had not been out to trap him into a marriage when she dashed into his bedchamber! Maybe, just maybe, the lady should be his after all?
