KurzbeschreibungBook 7 in the Magnificent Devices steampunk series!Will a daring rescue put a wedding and a future at risk?Lady Claire Trevelyan and renowned scientist Andrew Malvern are looking forward to domestic felicity in London when they are surprised by an unexpected visitor. A desperate and fugitive Alice Chalmers seeks their helper ship has been seized in the Duchy of Venice and worse, her navigator Jake has been thrown into the dreaded underwater prison from which no one ever escapes. Even the innocent.Lady Claire is about to embark on her career in Munich at the Zeppelin Airship Works. The Mopsies are beginning their final year at school. Andrew Malvern begins to despair of his fiance ever choosing a wedding gown but when help is denied from official quarters, the close bonds of friendship and shared adventure trump all these considerations with an urgency that cannot be ignored.But there is a brooding evil waiting for them in Venice an evil that would just as soon put an end to the flocks interference once and for all. With an innocent friends unexpected return and a pair of secret agents who would prefer that women not become involved the situation clearly calls for the inner resources of a lady of integrity.Its another element I love about these books; from Claire to Gloria to Alice to Lizzie and Maggie to Lady Dunsmuir, the women in this series generally like and respect each other. Other women are not required to be lesserweaker, more cowardly, less intelligentin order for Claire to be awesome. She is not an exceptional woman, she is an awesome woman among awesome women. Fangs for the Fantasy, on A Lady of IntegrityAdina is a literary master in her field. BookLoons.com An immensely fun series with some excellent anti-sexist messages, a wonderful main character (one of my favourites in the genre) and a great sense of Victorian style and language thats both fun and beautiful to read. Fangs for the Fantasy: The latest in urban fantasy from a social justice perspectiveeber den Autor und weitere MitwirkendeRITA Award winning author and Christy finalist Shelley Adina wrote her first novel when she was 13. It was rejected by the literary publisher to whom she sent it, but he did say she knew how to tell a story. That was enough to keep her going through the rest of her adolescence, a career, a move to another country, a B.A. in Literature, an M.F.A. in Writing Popular Fiction, and countless manuscript pages. Shelley is a world traveler who loves to imagine what might have been. Between books, Shelley loves playing the piano and Celtic harp, making period costumes, and spoiling her flock of rescued chickens.
