Von Blake Crouch : Abandon before purchasing it in order to gage whether or not it would be worth my time, and all praised Abandon:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Zwei ZeitebenenVon Daisyalso DAS fand ich sehr gut, das Hin- und Herspringen und langsame Licht ins Dunkel bringen. Dafr die Sterne.Unsinn ist, dass bereits einmal eine Expedition verloren gegangen sein soll - WO steht das bitte auer im "Teaser"?Das Buch war sehr spannend, fr mich z.T. allerdings zeitweise einfach zu brutal. So mystisch wie die Beschreibung klang hatte ich damit ehrlich gesagt nicht gerechnet. Besonders was mit der einen Frau, die sich 1893

retten konnte geschah, das war einfach ... :o(Logisch war es auch nicht immer - all dieses berleben einiger Leute trotz widrigster Umstnde? Wer berlebt derartige Strze ins Nichts etc. (will nicht zu genau drauf eingehen, um niemandem die Spannung zu nehmen und zuviel zu verraten)0 von 0 Kunden fanden die folgende Rezension hilfreich.
EXCELLENT Thriller!! wow! Started slowly and almost put it down, but then it got going...!!!Von newdadEXCELLENT Thriller!! wow! Started slowly and almost put it down, but then it got going. . . ! ! !3 von 3 Kunden fanden die folgende Rezension hilfreich. SpannendVon Martin MessererWieder ein Blake Crouch, der einen brutal spannenden Roman an einem Ort in zwei verschiedenen Zeiten (1893 und 2009) spielen lsst. Bin mittendrin und bin gespannt, wie es ausgeht. Sein Roman Pines ist jetzt brigens auf deutsch erschienen, heit Psychose. Sehr stark.

KurzbeschreibungOn Christmas Day in 1893, every man, woman, and child in a remote gold-mining town disappeared, belongings forsaken, meals left to freeze in vacant cabinsand not a single bone was ever found.One hundred sixteen years later, two backcountry guides are hired by a history professor and his journalist daughter to lead them to the abandoned mining town so they can learn what happened. Recently, a similar party had also attempted to explore the town and was never heard from again. Now the area is believed to be haunted. This crew is about to discover, twenty miles from civilization with a blizzard bearing down, that they are not alone, and the past is very much alive.Revised edition: This edition of Abandon includes editorial revisions.PressestimmenOn Christmas Day 1893, the tiny, remote gold-mining town of Abandon, Colorado, ceased to be. No trace of the population was ever found. More than a century later, a historian, a journalist, and two paranormal investigators trek into the ghost town with varying purposes. Crouch tells his tale in alternating chapters, but the reader ultimately learns that the story of both the residents and the latter-day visitors is one of gold, greed, and murder--and a pinch of madness. ""Abandon ""is an ambitious and largely effective suspense novel. The portrayal of life in Abandon is rich with details of brutal hardship, suffering, and a gnawing sense of creepiness. The modern investigators are tried by cold, a blizzard, avalanche dangers, rotted buildings that may collapse at any moment, and the eeriness of the derelict town. But Crouch has two sets of characters, and nearly all have a backstory. Some work; some are strained. Even so, the palpable suspense just keeps building, and many thriller fans--especially those who like a touch of horror--will lose sleep to find out how it all ends. - BooklistKurzbeschreibungOn Christmas Day in 1893, every man, woman, and child in a remote gold-mining town disappeared, belongings forsaken, meals left to freeze in vacant cabinsand not a single bone was ever found.One hundred sixteen years later, two backcountry guides are hired by a history professor and his journalist daughter to lead them to the abandoned mining town so they can learn what happened.
