Von Jenny Kane : Abi's House (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Abi's House (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. lesen und sich wohlfhlen...Von SommerkindIch wollte mal wieder ein englisches Buch lesen und bin auf diesen Titel

gestoen...kann es nur empfehlen...nette Protagonisten und dazu noch ein Cornwall, wie wir es erlebt haben in den drei Jahren als wir dort gelebt haben....von Vorteil ist es, wenn man ein Kindle besitzt wo man ab und an doch mal schnell zum Wörterbuch greifen kann...sehr gut zu lesen - macht richtig Spa und bekommt daher meine volle Empfehlung

KurzbeschreibungA summer read as scrumptious as its Cornish backdrop. Brilliant! Nicola MayCornwall - the perfect place for new friendships, fresh hopes, and a dream house. Newly widowed and barely thirty, Abi Carter is desperate to escape the Stepford Wives lifestyle that Luke, her late husband, had been so eager for her to live. Abi decides to fulfill a lifelong dream. As a child on holiday in Cornwall she fell in love with a cottage the prophetically named Abbeys House. Now she is going to see if she can find the place again, relive the happy memories and maybe even buy a place of her own nearby? On impulse Abi sets off to Cornwall, where a chance meeting in a village pub brings new friends Beth and Max into her life. Beth, like Abi, has a life-changing decision to make. Max, Beths best mate, is new to the village. He soon helps Abi track down the house of her dreams but things arent quite that simple. There is the complicated life Abi left behind, including her late husbands brother, Simon a man with more than friendship on his mind. Will Abis house remain a dream, or will the bricks and mortar become a reality? PressestimmenA summer read as scrumptious as its Cornish backdrop. Brilliant! -- Nicola May
