**Von Jack Finney : About Time: 12 Short Stories (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised About Time: 12 Short Stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun read but a little disappointingVon David SavageAfter reading "Time and Again", "From Time to Time", and "Forgotten News" I was little disappointed with this book. What I love about Jack Finney is his rich and detailed descriptions of the past. The reader, in a sense, becomes the time traveler. These stories are more of a play on the time travel theme with little of the vivid detail and character that I found in the other books.That said, "About Time" is definitely a fun

read. The stories reminded me of Twilight Zone episodes. "The Face in the Photo" in particular was my favorite where a detective finds his most "at-large" criminals in pictures and newsreels from the past.0 von 0 Kunden fanden die folgende Rezension hilfreich. If you loved "Time and Again", you will love these storiesVon Ein KundeI have read this book twice - so far. Some truly charming stories that, as was the case in the novel "Time and Again", encourage one to see the past with new eyes. I can honestly say that my perception of the past (and, consequently, the present) has been enriched by these stories. I especially loved the stories of the house that received a second chance, and of the car vintage car that gives its riders a second chance. I have recommended this book to many of my friends.0 von 0 Kunden fanden die folgende Rezension hilfreich. Fascinating!Von Ein KundeJack Finney's short stories on time and the characters that occupy it are a fascinating pleasure. Savor each one as the gift that it is, and take the journey through time. I couldn't put it down - and think of it often.

KurzbeschreibungAbout Time offers a delightful return to the world of time travel and light comedy that distinguished Jack Finney's all-time classic Time and Again. The protagonists of these twelve stories are well-meaning but at odds with their surroundings and their lives. The time to which they escapethrough time traveldoesn't always fulfill their expectations in the way they had hoped, but sometimes, they can still find their dreams.KurzbeschreibungAbout Time offers a delightful return to the world of time travel and light comedy that distinguished Jack Finney's all-time classic Time and Again. The protagonists of these twelve stories are well-meaning but at odds with their surroundings and their lives. The time to which they escapethrough time traveldoesn't always fulfill their expectations in the way they had hoped, but sometimes, they can still find their dreams.Synopsis Stories describe a secret level at Grand Central Station, a town which refuses to die, time travel, alternate worlds, love potions, time machines, and a ghost sighting.
