Kundenrezensionen Hilfreichste Kundenrezensionen 7 von 7 Kunden fanden die folgende Rezension hilfreich. breathtaking journey through the desert of a woman's past Von Charlotte when i had finished reading this book, i couldn't take my mind off it for days. it was spellbinding. i've re-read it several times since then. the content: stranded at an african desert railway station for a week without any distractions like books or tv, a british lady (delicately developed as all of christie's characters) is forced to review her life and realise facts which are liable to shatter all she

used to believe in. the end of the story is stunning in every respect of the term. agatha christie alias mary westmacott at her best in a different genre than crime, exploring and exposing the human soul with her appreciated and gripping narrative and psychological skills. highly recommendable!!

Kurzbeschreibung A striking novel of truth and soul-searching. Returning from a visit to her daughter in Iraq, Joan Scudamore finds herself unexpectedly alone and stranded in an isolated rest house by flooding of the railway tracks. Looking back over the years, Joan painfully re-examines her attitudes, relationships and actions and becomes increasingly uneasy about the person who is revealed to her. Famous for her ingenious crime books and plays, Agatha Christie also wrote about crimes of the heart, six bittersweet and very personal novels, as compelling and memorable as the best of her work. Pressestimmen `The one book that has satisfied me completely - the book I always wanted to write.' Agatha Christie `A tour de force which should be recognized as a classic.'
