Von Lauren Nichols : Accidental Father (Intimate Moments, 994) before purchasing it in order to gage whether or not it would be worth my time, and all praised Accidental Father (Intimate Moments, 994):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Memorable, well writtenVon J. Y.I enjoyed reading this book. The story moved very well with action, romance and suspense. The fear of a single parent of losing (or even sharing)custody is real. The need to protect your loved ones is also real. The reconciliation of the the two lovers touchingly unfolds.

KurzbeschreibungOUT OF THE SHADOWSSarah Harper gasped when she saw the rugged lawman on the porch of

her bed-and-breakfast. She didn't know his last name, but for three years his blue eyes had haunted her. She saw them every night in her dreams and every morning, twinkling in her toddler's face. Jake Russell sought only a roof over his head and a warm bed. He never expected it to be her roof for her bed. But Sarah had a hold on him, and he couldn't turn his back on her. Not when he suspected she was in danger and that her child was his child, too.

Kurzbeschreibung
OUT OF THE SHADOWS Sarah Harper gasped when she saw the rugged lawman on the porch of her bed-and-breakfast. She didn't know his last name, but for three years his blue eyes had haunted her. She saw them every night in her dreams and every morning, twinkling in her toddler's face. Jake Russell sought only a roof over his head and a warm bed. He never expected it to be her roof for her bed. But Sarah had a hold on him, and he couldn't turn his back on her. Not when he suspected she was in danger and that her child was his child, too.

Autorenkommentar An unexpected interlude beneath a Montana moon... When Jake Russell arrives in Comfort, Montana to complete the term of the town's ousted sheriff, he has two goals in mind: to eventually be elected on his own, and to inform Jess and Ross Dalton that he's their illegitimate brother. Three years ago, he'd traveled to Comfort to tell them, but without proof of his parentage, he'd backed away. Now Jake has a third and more pressing goal: to claim the tiny daughter he'd fathered during that first visit--whether Sarah Harper likes it or not. Frightened of losing her daughter, Sarah all but denies that Kylie is Jake's child. She'd only known him for an hour when mutual disappointment and heartache brought them together beneath a Montana moon and Kylie was conceived. She and Jake hadn't even shared last names. But when Sarah's bed and breakfast is ransacked, setting up a hunt for stolen diamonds and plunging their lives into danger, Sarah must admit the truth and accept Jake's protection for their daughter's sake. And that means letting Jake move in. Set against the backdrop of the Rocky Mountains in Big Sky country, **ACCIDENTAL FATHER** is the final installment in the Dalton Brothers Trilogy. "Ms. Nichols brings a refreshing inventiveness to a favorite theme with a powerful, emotion driven story readers will absolutely adore. At times almost heartwrenching, this tale is also infused with plenty of suspense and humor. Ms. Nichols is a high-calibre storyteller whose works transcend the structured world of the category romance." ~ *Rendezvous Magazine*
