Bewertungen hat. Ich habe die gesamte Accidentally-Serie von Mimi Jean Pamfiloff gelesen und bin mittlerweile schtig nach dieser Autorin. Die Story ist ungewhnlich, die Charaktere durchgeknallt und das Geplnkel zwischen den Protagonisten zum Totlachen. Ach ja, und die Romantik kommt natrlich auch nicht zu kurz ;). Bitte lasst euch nicht von den furchtbaren Covers und dem gewhnungsbedrftigen Titeln abschrecken, es lohnt sich wirklich dieser Reihe eine Chance zu geben. Eine der witzigsten paranormalen Serien die es gibt. Ich wrde auch empfehlen die Bcher auf englisch zu lesen, sonst geht der ganze Wortwitz verloren. Dieses Buch ist das letzte der Reihe, wer also die anderen noch nicht gelesen hat sollte das unbedingt nachholen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Delicious! Von Christiana Barreto An absolute sexy and very happy Ending to the "Accidentally" series. An easy to read and thrilling book with a few laughs and a little delicious erotica. Thank you Mimi for keeping us thoroughly entertained. I can't wait to start with the spin-off "Immortal Matchmakers"!!!

Kurzbeschreibung When it comes to Max, the God of Truth who refuses to follow the rules, there's more to him than meets the eye. Literally. Because Max is invisible! Which is probably why, after seventy-thousand years, he's still unable to find a mate. Ashli Rosewood was never meant to die. In fact, her death might be the very reason the gods are now faced with stopping that pesky doomsday right around the corner. If only there was a way to undo the past. Cue Max. Seven feet of divine masculinity and the unruly god charged with saving Ashli. With a little help from an ancient Mayan tablet, Max will travel back in time and set things right. Easy, right? Wrong. Because Max has one teensy challenge. He's invisible. And every time this impatient, powerful deity gets anywhere near Ashli, he spooks her right into harm's way. Meaning...she dies, and he has to start all over again. Cliff, banana peel, runaway storage container filled with Belgian chocolates, bee sting, the list goes on and on. Does the Universe have it out for this girl? Sure seems that way. But why? And what will Max do when he begins to suspect that not only is Ashli the key to stopping the apocalypse, but she may be "the one" he's been waiting seventy-thousand years for. How will he save the one woman the Universe insists on killing and who wants nothing to do with him? Approx. 85,000 words. The Accidentally Yours Series BOOK 1: Accidentally in Love with...a God?
