KurzbeschreibungJonathon Pfisters life has settled into a maudlin existence since the death of Greg, his lover of seventeen years. But Gregs daughter Jeana has decided shes had enough, so she rents a small apartment in Vienna for him as a Fathers Day present. Jonathon agrees to go, against his better judgment. Surprisingly, Jonathon finds the change of scenery refreshing, and he even makes a young friend in Hans, his landladays son. Then Hanss older brother returns home, and Jonathon begins to truly awaken. Fabian touches something inside him, especially when the younger man takes it upon himself to woo Jonathon in full Viennese style, with a waltz. But shadows of the past and expectations for the future loom over them both and will have to be banished for their lovers dance to stay in step.
