KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. so viel potential! mehr davon :)Von NanaWhat I liked about the book:+ I couldn't stop reading and went to bed at like 4am after I finished the book, even though I had to get up for work at 7. That's exactly the feeling I want in a book/ series- that you can't stop because it's just too good.+ there is still a lot of tension between Caleb and Maggie, even though

you already know how much they love each other. There are still some steps for them to go in their relationship, which is pretty awesome to watch (and hot).+ not too many characters, so no confusion.+ Nice development between Bish and Jen. The reader has always something to look forward to.+ I thought it was good how the author handled the 'Kyle Problem'. I really thought there was going to be another love- triangle and I hated that. I was very relieved when it turned out differently. Phew!What I didn't like about the book:- it is described how the characters are always licking their lips when they get turned on. Seriously.. I can't help but imagine how the couples in the book look at each other licking their lips veeeery slowly.. haha gross! :D0 von 0 Kunden fanden die folgende Rezension hilfreich. Schnur zweiter TeilVon CustomerDas Buch war ein schnur Nachfolger, jedoch muss ich sagen, dass ich ihn etwas schwächer als den ersten Teil fand, da er mich nicht so sehr gepackt hat. Trotzdem aber immer noch sehr tolles Buch.Die Geschichte wird wieder aus der Sicht von Maggie erzählt, die lernen muss, mit ihren neuen Krften umzugehen. Ich finde immer noch, dass sie einen tollen Charakter besitzt und sich durch nichts und niemanden unterkriegen lsst.Caleb war einfach wieder Caleb. :D0 ist einfach toll und ich knnte stundenlang ber ihn lesen.Wer also Significance mochte, der wird auch Accordance mgen.

KurzbeschreibungWith the help of Caleb's quick thinking and protection, Maggie learns much about the strange things that have happened to her and is faced with many new life-defining obstacles. She learns something about herself, that she's something that the clans have been waiting for. She rebels against it, but ultimately must face this for her new family's sake, and maybe even her life. Bish went from being her biggest supporter to her biggest pain in the butt, and Kyle's intentions to attract her interest may not be so innocent. Caleb feels Maggie's heartbeat in his chest, feels her pain run through his veins, feels her joyfulness jump in her pulse. All he wants is to make her happy while all their enemies want is to destroy them both.Caleb and Maggie fight to work through their obstacles together, but will some things be too much for Maggie to handle? Will she become who she has to be to save the ones she loves or will she crumble under the pressure as this epic love story continues.KurzbeschreibungWith the help of Caleb's quick thinking and protection, Maggie learns much about the strange things that have happened to her and is faced with many new life-defining obstacles.
