Von Vicki Lewis Thompson : Acting on Impulse (Midnight Fantasies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Acting on Impulse (Midnight Fantasies):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. hot readVon Ein KundeTrudy is a country bumpkin who wishes to follow her girlfriend to the big city and does months later. There she wants to change her lifestyle and have sexual adventures. Her girlfriend introduces her to her husband's best friend who shows her that HE can be all and fulfill all her sexual wishes. It's a good read and pretty realistic that some poor farm girl wants to change her life drastically and that a jaded rich boy finds someone that needs him for once in his pampered life.

Kurzbeschreibung Small-town girl Trudy Baxter is ready to take on New York City. She's looking for excitement, adventure and incredible sex! She wants to experience every little thing and every type of man the city has to offer. Her first target sexy Wall Street hunk Linc Faulkner. Only, once she gets Linc into her bed, she's reluctant to let him go. Linc Faulkner has never met anybody like Trudy. She's so spirited, so sexy, so damn uninhibited! She's his every fantasy in the flesh. Only, Linc knows he's just the first man on Trudy's sexual wish list. So what else can he do but convince her that he can be any man she'll ever want and the only man she'll ever need.
