Von Don Callander : Aeromancer (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Aeromancer (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful book, and a wonderful seriesVon Ein Kundel have read this whole series, and all of it is wonderful. In a simple seeming world, of familiar and simple names.... wonderful things occur. The author makes an unbelievable household of Wizards High, and makes you wish you lived in this world.... read this series... very good0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining and delightful!Von Ein KundeCallander does an excellent job,

especially with his various characters. All of the books in the 'mancer series, this is #4, are charming and fun! This is extremely easy reading, if you haven't read any of these, do so. You'll enjoy them.

Kurzbeschreibung When the beautiful Aquamancer, Myrn Manstart of Flowring Island, journeys to a far off land on a rescue mission, she is kidnapped and offered up on the auctioning block at the market. Her husband, Master Pyromancer Douglas Brightglade along with his furry familiar Marbleheart and Apprentice Aeromancer Cribblon must give the highest bid to secure her freedom. **Kurzbeschreibung** When the beautiful Aquamancer, Myrn Manstart of Flowring Island, journeys to a far off land on a rescue mission, she is kidnapped and offered up on the auctioning block at the market. Her husband, Master Pyromancer Douglas Brightglade along with his furry familiar Marbleheart and Apprentice Aeromancer Cribblon must give the highest bid to secure her freedom. **ber den Autor und weitere Mitwirkende** Callander is a 70 year old retired travel writer/photographer and graphic designer.
