**Von Loving Husband : Affair (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Affair (English Edition):

Kurzbeschreibung WARNING! Affair will change the way you look at your loved one! Dare to read something so erotic and so unique it will blow your mind and leave you wondering, was this real or not? Bold statement or the truth? Only one way to find out.....by taking this voyeuristic trip through the lives of three people caught in a web of

lies and deceit that will send you on an emotional roller-coaster ride like no other!With an ending you won't see coming!Everyone will relate to Affair in some way or another. Perhaps you have been cheated on? Maybe you are the one having an affair?Who knows? One thing is certain... Affair will rattle your comfort zone and challenge everything you ever assumed about your relationship!Read it!Dynamic, Raw, Ground-breaking, Erotic, Emotional, and Mind Altering are just a few words to describe Affair. Presented in a unique chat-log style never seen in a book before, the story unfolds via the conversations between the parties involved.In short, you have never read anything like this. Guaranteed!Be warned!! Affair is erotic in nature, inspired by true events, and is also raw and unapologetic. It is intended for adult and mature readers only and contains scenes of taboo sex, erotic voyeurism, raw forbidden lust and very strong language.So scroll up and grab your copy! You honestly have nothing to lose except being part of something dynamically different.Scroll up and grab a copy today!KurzbeschreibungWARNING!
