**Von Susan Isaacs : After All These Years: Novel, A** before purchasing it in order to gage whether or not it would be worth my time, and all praised After All These Years: Novel, A:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A winner all the way throughVon Ein KundeI've read hundreds of mystery novels and far too many novels that purported to be "comic." This one is just about perfect. The heroine is witty, smart, and feisty. Although her situation as deserted wife and murder suspect is anything but funny, she tackles the problem of solving the crime (and clearing her name)

with guts and resourcefulness. The plot has plenty of twists, the characters are human and not just cartoons, and the settings (from a posh Long Island suburb to the sleazier boroughs of the Big Apple) are vividly described. And this is one of the funniest books I've ever read: the heroine is a master of the one-liner, and her irreverent comments on everything from her next-door neighbor's cooking habits to the Other Woman's figure are a scream. Don't read this book on a transcontinental flight -- you'll laugh all the way through and drive your seatmates crazy. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Reader in San Francisco Von Ein Kunde One of the dumbest books I have ever read. I stayed with the book because it fascinated me how such a poorly written book would make the best seller's list. The author must have contacts. This author has lost touch with reality - how often do mourners to a funeral bring red wine, goat cheese and crackers (I suppose this was humor - who knows). I did enjoy observing endless stream of inappropriate cliches. To this end, the book was interesting. If you are contemplating buying this book, do yourself a favor and read the first chapter - it does not get any better. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun for everyone... Von Sarah G. Partridge I had my doubts about Susan Isaacs, but I will definitely read more of her books. Rosie Meyers is delightful and witty, and never loses her dignity no matter what is thrown at her. I kept seeing the cast: Sela Ward as Rosie Meyers, David Boreanaz as Danny Meese, S. Epatha Merkerson as Cass, maybe James Brolin as Tom Driscoll, Ed Begley as Carter Tillotson. As for Jessica and Stephanie, you'd have to find some bimbos to play them, but maybe you could put in Rebecca Mornay as one of them. If you need light entertainment, have a long train ride, or need to while away a rainy weekend, this is the best for what it is. There are other "pulpy" writers but they are often insulting to women and just downright awful. This was a lot of fun and you couldn't help but be on Rosie's side.

**Kurzbeschreibung** The day after her lavish wedding anniversary bash, Rosie Meyers gets a big surprise: Her nouveau riche husband Richie is leaving her for a sultry, sophisticated, size-six MBA. When he's found murdered in their exquisitely appointed kitchen, no one is surprised to find Rosie's prints all over the weapon. The suburban English teacher is the prime suspect. The police's only suspect. And she knows she'll spend the rest of her life in the prison library unless she can unmask the real killer. Going on the lam into Manhattan, Rosie learns more about Richie than she ever wanted to know. And more about herself than she ever dreamed possible. **Pressestimmen** Biting and funny. (New York Daily News) Loaded with wit, crammed with memorable characters, endlessly entertaining and beautifully written. (Los Angeles Times) A great ride. (San Francisco Chronicle) Susan Isaacs should captivate all hearts. (Newsday) Provides tears-down-your-face laughs, including barbed send-ups of the even richer neighbors and a sidesplitting funeral scene. (Cosmopolitan) Isaacs is once again at the top of her satiric form in *After All These Years*. (Chicago Tribune) A mean, funny book. (USA Today) The razor-sharp wit of a Joan Rivers and the sexual relish of an Erica Jong. (St. Louis Post-Dispatch) Terrific. (Detroit Free Press) **Kurzbeschreibung** The day after her lavish wedding anniversary bash, Rosie Meyers gets a big surprise: Her nouveau riche husband Richie is leaving her for a sultry, sophisticated, size-six MBA.
