Von Alexandra Hawkins : After Dark with a Scoundrel: Lords of Vice before purchasing it in order to gage whether or not it would be worth my time, and all praised After Dark with a Scoundrel: Lords of Vice:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Lords of Vice, Book ThreeVon Detra FitchSet in London. In the year 1817, fifteen-year-old Lady Regan Bishop blows up the

kitchen of Nox, the notorious gentlemen's club. It was not on purpose. Regan had been assisting Lord Vanewright in making fireworks and accidentally tipped over a lamp. Regan had been raised by her brother, Frost, the Earl of Chillingsworth, who is one of the infamous Lords of Vice. With Frost as her guardian, Regan has been exposed to things few ladies ever see and each Lord of Vice has taught Regan about his interest. Vane has taught her chemistry. Hunter has shared his appreciation of prime horseflesh. Reign has shown her how to avoid a fist. Sin has trained her to fence. Dare has taught Regan to fish and swim. But a couple of years ago Dare stopped his lessons because he realized Regan was beginning to bloom. Too bad, because by that time Regan had already given her young heart to Dare (Lord Hugh Mordare). After the kitchen fire, as Dare assures himself that Regan has come to no harm, he finds himself kissing her. Frost walks in on the tender scene and immediately sends Regan away to Miss Swann's Academy for Young Ladies. After five years at the academy, Lady Regan Bishop is now more lovely than ever. Miss Swann's lessons were rather mundane. There was not a single fireworks rocket, sword, or brace of pistols on the property. However, the academy has schooled Regan on dancing, patience, and how to play the part of a proper lady. They are lessons Regan fully intends to utilize as she bedevils Frost and seduces Dare. Dare is the second son of the Duke of Rhode. The duke has always encouraged his heir, Charles, and Dare to beat each other to a pulp. Of course this ends up making the brothers hate each other. Years ago, Charles noticed that Dare had feelings toward Lady Allegra, so he impregnated and then wed her out of spite. Since then Dare has kept up sturdy emotional barriers to protect himself. But Regan has always been able to slip by those barriers and is currently engraving herself upon his heart. Honorable to a fault when it comes to his family, Dare goes almost every time Allegra summons him to help her with some sort of family matter. Usually it involves Charles begin drunk and/or making some sort of scene that could very well turn into scandal. Charles has also become less discreet with the various women he sleeps with and it is getting harder for the duke to handle all the pregnant women that show up on his doorstep. With such a dysfunctional and volatile family, Dare refuses to marry and place a lady within his own predicament. This is especially true for Frost's sister. If only Regan were not so irresistible. **** FOUR STARS! With a family like Dare's it is no wonder that he has such vitriol feelings. My only real problems with this story are that Dare never actually says the words "I love you" to Regan and Frost never really acts worried that his little sister is no longer pure. During the Regency Era that was a big deal. The author inserts a bit of mystery and danger toward the middle of the story. This adds some zing to the mix because I am now trying to figure out who is behind the attacks and why. There are not a lot of suspects; however, each suspect on the list has at least one huge motive. Alexandra Hawkins makes it difficult for me to get any housework done when I know one of her books is just waiting for me to sit down and enjoy it. Wonderful as always! **** Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Young, tender, and highly impressionable, Lady Regan can't help but be intrigued by her brother's wayward friend the wickedly charming Lords of Vice. One man in particular, the dashing Lord Hugh Mordare (known simply as "Dare" among the ton), utterly captivates her in spite of his reputation as a notorious womanizer. But when she steals an innocent kiss from Dare, Regan is swiftly packed off to boarding school, safely away from danger and desire. Five years later, Regan returns a proper lady and ravishing beauty. Miss Swann's Academy for Young Ladies has taught her how to behave in polite society. But all the training in the world cannot extinguish her love for Dare. Now, she hopes to beat the master of seduction at his own game by daring Dare to love her in return. This time, both of their hearts are on the line and winner takes all. *Pressestimmen* Praise for the first Lords of Vice novel, "Till Dawn with the Devil" "Till Dawn with the Devil's romance is first rate with unusual characters and an underlying mystery that will intrigue readers." --Robin Lee, "Romance s Today" "A terrific second book in this series.
