how one girl can learn to believe in herself, Sofie, and can learn that the impossible becomes possible. Edward, who is not known to commit or settle, suddenly falls in love with a girl they called "crazy crippled and eccentric." He couldn't possibly? Well, if you read it . . . why is it he follows her everywhere? And can't get her off his mind? MMMMMMMhfff? You wonder? Read it! You'll be glad you did! von 1 Kunden fanden die folgende Rezension hilfreich. after innocence Von Ein Kunde After Innocence was one of the first books I have read. I loved it! (I have re-read it at least half a dozen times since) it is my all time favorite. up there with "GONE WITH THE WIND". Edward De Lanza and Sophie are the ideal fantasy. I have to admit, that I fantasied about being in Edwards arms instead of Sophie (Who would'nt!) I could not put the book down, great reading, great writing by Brenda Joyce. I rate this book 5 stars and a perfect 10! "If you already havn't, read this book! YOUR THE BEST BRENDA, KEEP UP THE GOOD WORK." von 1 Kunden fanden die folgende Rezension hilfreich. Superb and Heart Warming Von Ein Kunde WOW is all I can say about this book. Sophie and Edward were the type of characters you cannot help but fall in love with. The story of the rogue Edward falling for the not so perfect Sophie warms your heart. I have read several other Brenda Joyce novels and this is indeed my FAVORITE.... I can only hope that Ms. Joyce writes a sequel to this book.... There are so many loose ends to tie up, but they do not detract from the story, only leave the writer wanting more!..... An excellent read... you will not be disappointed
