**Von Sherryl Woods : After Tex (A Whispering Wind Novel)** before purchasing it in order to gage whether or not it would be worth my time, and all praised After Tex (A Whispering Wind Novel):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great ranch romanceVon Ein KundeRenowned TV and magazine host Meg O'Rourke leaves New York City for her childhood home in Wyoming to attend the funeral of her beloved grandfather Tex. In Wyoming, Meg meets the only

person she ever loved, Jake Landers, who she still feels betrayed her years ago when her grandfather accused him of stealing cattle. She is soon shocked to learn Tex sired a little girl, Tess. The will names Meg as Tess' guardian to be raised on the Wyoming ranch, but Meg runs a New York-based empire. However, Meg, who always needed to belong somewhere, begins to fall in love with her little charge. She rearranges her lifestyle to spend time with Tess. As she flies back and forth, she realizes she still loves Jake in spite of her belief that he failed her. Jake returns her love, but wonders if that is enough when trust may be more important of an attribute. Best selling author Sherryl Woods writes an exciting contemporary romance that focuses on the struggle of love to survive when the relationship lacks trust. Readers will enjoy Meg's return to her Wyoming roots after taking the Big Apple by storm. However, what turns this AFTER TEX into a beautiful love story is the wonderful cast, who prove that love by itself is not enough. Von Ein Kunde AFTER TEX by Sheryl Woods COULD have been a wonderful book. the storyline was there, the wonderful, wacky humorous characters were there. WHAT HAPPENED TO THIS BOOK! well i'll tell you what didn't happen, nothing was ever concluded. the storyline was a wonderful idea, and the characters that were introduced, from the little girl who was the heroine's aunt, to the heroine's male secretary...all these were wonderful characters. too many conflicts got in the way of the romance and to top it all off, i was reading what i thought to be the NEXT TO THE LAST chapter and then i turned the page for the last chapter or epilogue and guess what,,it wasn't there. i couldn't believe it. Ms. Woods, i can't believe this was turned in as a finished book. it was so unsatisfying a conclusion, with just about every major conflict left hanging, that i threw the book across the room. i can honestly say that most of ms. woods books i have really enjoyed. this one however, will leave many readers angry because of the constant conflicts set up. so many that they there doesn't seem to be any room left over for building any type of relationship between the main characters. i was hopelessly disappointed in this book. i blame the editor for this one. it should have been sent back to be finished before publication. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Texas-Sized Disappointment Von V.T. Too The plot is one more of the four standard romance story lines. Girl comes back -- temporarily, she thinks -- to the small town she fled years before. Circumstances conspire to keep her at home and too close to the dangerous male whose touch renders her helpless. In After Tex, the formula becomes a tired one. The hero is stripped of his danger too early on. There are too many subplots and too many characters. To make matters worse, the author's descriptions of the interaction between the main characters were insipid. If you like your romances hot, skip this one.

Kurzbeschreibung Megan O'Rourke's beloved grandfather had always been determined to lure her out of New York and back to their ranch in Whispering Wind, Wyoming. Now his will makes it impossible for her to refuse. She's named guardian of Tex's daughter a daughter Megan never knew about! Jake Landers has also come home to Whispering Wind. After leaving years before under a cloud of suspicion, he's returned to put down roots. When he comes face-to-face with the woman who shares his troubled past, he hardly recognizes the driven powerhouse Megan has become. Now she has big decisions to make about life, love and where home really is. Jake's only too happy to help Megan rediscover their old dreams and maybe this time, fulfill them forever. From Publishers Weekly Woods, in her latest contemporary romance, redeems a silly plot contrivance with energetic pacing, snappy dialogue and an appealing romantic hero. Megan O'Rourke is a Martha Stewart clone with a whirlwind, workaholic Manhattan life. When her ornery grandfather, Tex, dies, she's shocked to find that she has inherited not only his ranch but also his illegitimate eight-year-old daughter, whom she is now required to raise in Wyoming. As if it isn't difficult enough moving a burgeoning communications empire to a town called Whispering Wind, Megan discovers Tex's closest advisor was charismatic Jake Landers, the man who broke her heart years before. Megan's rigidity and snobbishness grate at times; it's difficult to like a heroine capable of having a snit over packaged coffee the morning after her beloved granddad's funeral, but Woods warmly renders Megan's bumpy transition into both romantic and maternal love, eventually winning over the reader. Jake, on the other hand is lovable right from the start, a classic good-hearted bad-boy type with a nice mixture of charm and common sense. (Oct.) Copyright 1999 Reed Business Information, Inc. Pressestimmen Sherryl Woods gives her characters depth, intensity and the right amount of humor. -RT Book s "Once again, Woods, with such authenticity, weaves a tale of true love and the challenges that can knock up against that love." -RT Book s on Beach Lane "Infused with the warmth and magic of the season, Woods's fourth addition to her popular small-town series once again unites the unruly, outspoken, endearing O'Brien clan in a touching, triumphant tale of forgiveness and love reclaimed." -Library Journal on A Chesapeake Shores Christmas "Sparks fly in a lively tale that is overflowing with family conflict and warmth and the possibility of rekindled love." -Library Journal on Flowers on Main Woods proves her expertise in matters of the heart as she gives us characters that we genuinely relate to and care about. A truly delightful read!" -RT Book s on Moonlight Cove "Sparks fly in a lively tale that is overflowing with family conflict and warmth and the possibility of rekindled love." -Library Journal on Flowers on Main "With tremendous storytelling ability, and a skillful way of telling many subplots without stealing from the

central story, Ms. Woods will delight."--RT Book s on After Tex"Charming characters combine to create the interfering, yet lovable, O'Brien family...a satisfying, heartwarming conclusion to the Chesapeake Shores series."-RT Book s on The Summer Garden"Sherryl Woods always delights her readers-including me!"-#1 New York Times bestselling author Debbie Macomber
