**Von Suzanne Enoch : After the Kiss: The Notorious Gentlemen** before purchasing it in order to gage whether or not it would be worth my time, and all praised After the Kiss: The Notorious Gentlemen:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Marquis's daughter and the horse trainerVon Helen Hancox"After the Kiss" is the first of a series of books about 'The Notorious Gentlemen'. The hero of this book, Sullivan Waring, isn't exactly notorious - instead he's overlooked. A renowned horse breeder and trainer, despite the rumours that he has an aristocratic natural father he is ignored except for his expertise with horses. Lady Isabel Chalsey can't overlook him though - not when she catches him red-handed burgling her family's house. But Isabel doesn't want to see him hung or transported, not when he gave her a kiss, so instead she decides to keep an eye on him by employing him to teach her to ride a horse. It's the only reason she can think to spend time with him and find out more about him but unfortunately Isabel is almost phobic about

horses. Sullivan Waring is on a mission to revenge himself against his father who sold all his mother's possessions when Sullivan was fighting the Peninsular war. Each time he steals one of his mother's paintings he knows that it irritates his father. But now there is someone else involved, someone who knows that he is the secret thief known as the Mayfair Marauder, and someone who is getting closer to him. But there's absolutely no future between the daughter of a Marquis and a horse breeder, especially when Sullivan's legitimate half-brother is after Isabel as well. Can they find happiness? Can Sullivan get away with his thefts without being caught? Can he ever find a place in society? It took me a while to get into this book, despite an exciting first chapter during the Peninsular War. I didn't find myself warming to Isabel Chalsey and her dictatorial and bossy manner and was too perturbed by yet another random man's name in an American-authored Regency (although there was an explanation for why he was called Sullivan). There were lots of errors in dialogue, for example using the American word 'burglarize' rather than the English 'burgle' and other similar mistakes. However the underlying story was actually quite good, even if I wasn't convinced of the probable reality of the events that led to the happy ending. It was, however, a reasonable read with an enigmatic hero, a varied cast of supporting characters and some interesting vignettes into horse training. Kurzbeschreibung A Notorious Gentleman . . . Sullivan Waring wants only two things: his rightful inheritance, and revenge against the man who stole it from him. By day, Sullivan is the most respected horse breeder in England; by night, he plunders the ton's most opulent homes to reclaim his late mother's beautiful paintings. His quest is going swimmingly . . . until the night he's discovered by Lady Isabel Chalsey. Clad only in a revealing nightdress, she's an entrancingly different kind of plunder, and how can a thief resist stealing a kiss? A Curious Lady . . . Surprised by a masked man in her own home, Isabel should be quaking with fear. Instead the sight of the sinfully handsome Sullivan makes her tremble with excitement. Who is this man, and why is he so set on this reckless pursuit? Lady Isabel loves a challenge, and she'll dare anything to uncover Sullivan's secret but she may instead convince him that she is the greatest prize of all. Synopsis The illegitimate son of the Marquis of Dunston, Sullivan Waring has made himself into a respectable gentleman, allowed into the fringes of Society, but never all the way in. If he resented his legitimate half siblings, he never let it show - until they stole what was rightfully his. Now he is determined to exact a little bit of revenge on the ton except Lady Isabel Chalsey was never in his plans. When Lady Isabel Chalsey awakens in the night to discover her home being robbed, it occurs to her that she ought to be frightened. But there's something about this man that she finds compelling. The more she talks to Sullivan, the more she becomes enamoured of his plan - and of the man itself. But when Sullivan's actions are exposed, will Isabel's love be enough to see them through the resulting scandal?
