Von Nelson Chereta : After The Rabbit: Book Two Of The Waldo Rabbit Series (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised After The Rabbit: Book Two Of The Waldo Rabbit Series (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I highly recommend it!Von teoA very funny book. I don't really like the fact that the writing is too small. The first book was much better organized in this regard, in my opinion, even if that ended up being bigger as a result. So was probably thought out to be more compact. But the content is as usual, great. Can't wait for the third book to come out.2 von 2

Kunden fanden die folgende Rezension hilfreich. was not disappointed Von Moritz N. I enjoyed the first book in the series and had to find out how the story continues. Will read the next installment as well. My only criticism is, that the book is quite short. I think I read it in one day. Definitely not "high fantasy" but entertaining. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Einfach total unterhaltsam Von Eva S. Der Plot zieht sich etwas, aber die Kommunikation zwischen den Figuren ist einfach nur witzig, so dass das Buch angefangen und auch schon durchgelesen ist. Man muss natürlich ein Freund von Ironie, Wortwitz und bsem Humor sein.
