Von Karen White : After the Rain before purchasing it in order to gage whether or not it would be worth my time, and all praised After the Rain:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic novelVon jeanne adamekKaren White, the author, can write in a way that you can actually believe that you are in the story--not just reading it. The interaction between the characters magically wonderful and totally satisfying.The only thing that I did not like was that I hadn't read Falling Home first. I had known that Falling Home was the first in this

two book series, and *After the Rain* would have been more powerful if I hadn't ignored this fact. Still *After the Rain* was a first class book with storytelling at its finest and I would recommend it to everyone.

Kurzbeschreibung From New York Times bestselling author of the Tradd Street novels comes the sequel to *Falling Home*, a novel set in the picaresque town of Walton, Georgia, where one woman is about to discover that the best journey is the one that brings you home. Freelance photographer Suzanne Paris has been on her own since she was fourteen and she has no intention of settling down, especially not in a tiny town like Walton. She's here to hide out for a little while, not to form connections. Her survival depends on her ability to slip in and out of people's lives, on never staying in one place for too long. But Walton is a town where everyone knows everyone else and they all seem intent on making Suzanne feel right at home. She can't help but feel drawn to this tight-knit community or to the town's mayor, Joe Warner, and his six kids. But Suzanne can't afford to stick around, even if she's finally found a place where she belongs. Because someone is looking for her someone who won't stop until her life is destroyed CONVERSATION GUIDE INCLUDED

Pressestimmen Praise for New York Times bestselling author Karen White There is a rhythm to the writing of Karen White. It has a pace, a beat, a cadence that is all its own. The Huffington Post White's dizzying carousel of a plot keeps those pages turning, so much so that the book can [be] and should be finished in one afternoon, interrupted only by a glass of sweet iced tea. Oprah.com White captures the true essence of Charleston by intertwining the sights and smells of the historic town with an enchanting story filled with ghostly spirits, love, and forgiveness a once-in-a-lifetime series. Fresh Fiction This is storytelling of the highest order: the kind of book that leaves you both deeply satisfied and aching for more. Beatriz Williams, New York Times bestselling author of *Tiny Little Things* Readers will find White's prose an uplifting experience as she is a truly gifted storyteller. Las Vegas -
