KurzbeschreibungThe sexy, emotional sequel to the NYT Bestseller Night After Night...Their world was passion, pleasure and secrets.Far too many secrets. But Clay Nichols can't get Julia Bell out of his mind. He's so drawn to her, and to the nights they shared, that he can't focus on work or business. Only her. And she's pissing him off with her hot and cold act. She has her reasons though-she's trying to stay one step ahead of the trouble that's been chasing her for months now, thanks to the criminal world her ex dragged her into. If only she can get out of this mess, then maybe she can invite the man who ignites her back in her life, so she can have him-heart, mind and body.He won't take less than all of her, and the full truth too. When he runs into her again at her sister's wedding, they have a second chance but she'll have to let him all the way in. And they'll learn just how much more there is to the intense sexual chemistry they share, and whether love can carry them well past the danger of her past and into a new future, after this night...Please note: The reading order for the Julia and Clay novels in the NYT Bestselling Seductive Nights series is Night After Night, After This Night, and One More Night.
