forward to read Aftershock because I can't wait to find out how the story of Jax and Gia will continue.0 von 0 Kunden fanden die folgende Rezension hilfreich. Gia and Jax - between hate and love and needing each other! HOT!!!Von CassandraShort, straight to the point no dancing around the story! Really great read and a f***ing cliffhanger! Can't wait til November to find out more about Jax and if Gia can succeed with her work and love life!Gia and Jax have this too-hot-and-too-needy sexual tension between them. Both wanting things and expect to win with their work.The question still left open - does it effect their love and need and craving for each other?Totally hooked up with the read from page one!

Kurzbeschreibung#1 New York Times bestselling author Sylvia Day, America's premier author of provocative fiction, delivers the debut novel from Cosmo Red-Hot Reads from Mills Boon.The realization that Jax still affected me so strongly was a jagged pill to swallow. Hed only been part of my life for five short weeks two years ago. But now he was back. Walking into a deal Id worked hard to close. And God, he was magnificent. His eyes were a brown so dark they were nearly black. Thickly lashed, they were relentless in their intensity. Had I really thought they were soft and warm? There was nothing soft about Jackson Rutledge. He was a hard and jaded man, cut from a ruthless cloth.In that moment I understood how badly I wanted to unravel the mystery of Jax. Bad enough that I didnt mind how much it was going to cost me.Look for 2 new eBooks from Cosmo Red-Hot Reads from Mills Boon every month.Kurzbeschreibung#1 New York Times bestselling author Sylvia Day, America's premier author of provocative fiction, delivers the debut novel from Cosmo Red-Hot Reads from Mills Boon.The realization that Jax still affected me so strongly was a jagged pill to swallow.
