I don't get itVon -KundeFive star rating???Honestly?ok,if we are talking about a YA book and I mean age 15, you could get away with all the lengthy descriptions of....well, nothing. But a heroine without the slightest idea of a backbone (do what ever you like to me, as long as you say it's my fault and you are doing it all for my own good) and an idea of hinting continuously at things the reader figures out well enough alone to make it interesting? Really? It was painful

for me to finish and I regret the time. The language was quite good and the story as such interesting enough, but the "secrecy" grated on my nerves and the heroine? I just want to smack her over and over again....0 von 0 Kunden fanden die folgende Rezension hilfreich. Viel zu lang Von Merle Vielversprechender Anfang einer Fantasy-Saga, die sich ber lange Stecken in Langeweile ergiesst. Traumatisiert von ihrer Vergangenheit versucht die 21-jährige Collegestudentin aus England bei ihrer Schwester in den USA einen Neuanfang. Einen Anfang ohne den Ballast ihrer Heimat. Schnell findet sie Freunde und auch einen Job nebst dem College. Dies ausgerechnet im angesagtesten Club der Gegend, mit dem heissen Chef Dominic Draven, der von allen Frauen angehimmelt wird. Ausgerechnet an ihrem Arbeitsplatz trifft sie erneut auf die unheimlichen Wesen, die sie seit ihrer Kindheit verfolgen. Obwohl von Angst verfolgt, kann sie sich nicht von ihrer Arbeit und vor allem der Attraktion zu ihrem Chef befreien, verflucht ihm immer mehr. Soweit, so gut und dies bis das lange Buch zur Hälfte vorbei ist. Der Rest der Geschichte wird mit dem erwarteten Enthüllen der naheliegenden Wahrheit und ausgiebigem Beschreiben von erotischen Szenen verbracht. Die Dialoge wiederholen sich oft, sind recht naiv und wenig ergiebig. Die Heldin schafft es immer wieder, sich absolut nicht nachvollziehbar zu verhalten und ist sehr stolz auf ihre Widerspenstigkeit, die anscheinend die Männer ganz wild macht. Ich bevorzuge ausgefeiltere Geschichten und werde die Serie sein lassen.0 von 0 Kunden fanden die folgende Rezension hilfreich. crazyyyyy!!! Von Elodie Colt this book is really crazy s\*\*\*\* !!! it's one of the longest YA fiction / fantasy novels I've ever read and it's just the first book of a series of 5 (although I've read somewhere it will become seven). the author has a talent for writing in great detail without babbling around unnecessarily. another point is that she makes you excited all the time about the secrets Keira wants to reveal - at the end of the first book you still don't know why she is the Chosen One, which is good as you know that there is still more to the story coming. and of course her relationship with Draven is one I never expected. Sex is something that's never fully described in those sort of books but in this one it's all about sex in the last third of the book, but it's still not like a boring porn story. Just read it, it's worth the money!

Kurzbeschreibung Afterlife just some gothic nightclub where gossip is fuelled by the presence of a rich and unearthly, handsome family or Afterlife the strange place where time seems to stand still and guests feel the presence of something more powerful held within the confines of the VIP. Keira is new to this small, cold town and is running from a past that seems to feast on her darkest memories. She finds living with her sister away from English soil to be just the ticket to the new life she is trying desperately to find. So when the offer of a job at the infamous Gothic nightclub Afterlife comes along she thinks that lady luck has finally found her. That is until its seductively dark and forbidding owner Dominic Draven sets eyes on her. All at once she is captivated and plunged into a world she never knew existed but the deeper her obsession with Draven becomes, the harder it is to decide should she stay and continue to work within the shadows of the supernatural or should she run from a madness she thinks may consume her? Warning: This book not only has sexual content but is amazingly addictive, with its dark mystery, haunting horror, seductive twists and one sexy dark lord that has the reader drooling every time the name Draven appears on the page! This book has been written by an UK Author with a mad sense of humour. Which means the following story contains a mixture of Northern English slang, dialect, regional colloquialisms and other quirky spellings that have been intentionally included to make the story and dialogue more realistic for modern day characters. And please note this is the 1st book in a 9 book saga, which means you are in for a long and rocky ride. So put the kettle on, brew a cuppa, grab a stash of snacks and enjoy! Thanks for reading ber den Autor und weitere Mitwirkende Stephanie Hudson has dreamed of being a writer ever since her obsession with reading books at an early age. What first became a quest to overcome the boundaries set against her in the form of dyslexia has turned into a life's dream. She first started writing in the form of poetry and soon found a taste for horror and romance.

Afterlife is her first book in the series of seven, with the story of Keira and Draven becoming ever more complicated in a world that sets them miles apart. When not writing, Stephanie enjoys spending time with her loving family and friends, chatting for hours with her biggest fan, her sister Cathy who is utterly obsessed with one gorgeous Dominic Draven. And of course spending as much time with her supportive partner and personal muse Blake who is there for me no matter what. My Love and devotion is to all of my wonderful fans that keep me going into the wee hours of the night but foremost to my wonderful daughter Ava...who yes, is named after a Demonic bird. Afterlife Saga is going to be 9 books in total and at the moment is working on book 6, The Cult of Hexad, which is out Dec 2015.
