Ein Buch, das Spa machtVon AlimaNach den einschneidenden Vernderungen am Ende des letzten Bands mssen sich Lucas und Bianca jeweils an ihr neues Leben anpassen. Besonders Lucas flt das sehr schwer. Um ihm die bestmgliche

Unterstützung zu geben, kehren sie zurück nach Evernight. Als Black-Cross-Kämpfer wird er nicht gerade mit offenen Armen empfangen. Allein Mrs Bethany ist hier die erstaunliche Ausnahme. Im Laufe der Zeit findet Bianca mehr über die Geisterwelt und Mrs Bethanys Pläne und Motive heraus. Es bildet sich eine "multi-kulturelle" Gruppe, die Bianca und Lucas unterstützen und den Widerstand gegen die Schulleiterin aufnehmen. Mir hat es großen Spaß gemacht, auch diesen Band der Reihe zu lesen, der zu einem klaren Schluss kommt. Zwar fällt es mir schwer, den einen oder anderen Punkt als gegeben hinzunehmen (z.B. die unregelmige Verteilung der Kräfte und die persönliche Entwicklung der Geister), aber so ist das eben in diesem Genre - es funktioniert nur, wenn man bereit ist, sich auf jede der geschaffenen Welten und ihre Gegebenheiten einzulassen. Nachdem ich das getan hatte, wurde ich wie gesagt mit großem Spaß belohnt, der mich etwas an die Serie "Buffy" erinnerte. Claudia Gray hat sich im Laufe der Geschichte immer wieder neue überraschende Wendungen ausgedacht, bei denen ich mich oft genug fragte, wie sie denn aus dieser scheinbaren Sackgasse wieder herauskommen will - es gelingt ihr dann auf eine für mich absolut zufriedenstellende Weise. Die Story bleibt immer spannend, der Humor bei aller Dramatik der Ereignisse gefällt mir, die Liebesgeschichte ist mir nicht zu schwülstig (wobei mir Lucas als Held leider etwas zu glatt bleibt), ich habe die Serie mit Genuss gelesen. Warum dann nur vier Sterne? Um mir noch eine Möglichkeit der Steigerung für absolut umwerfende Bücher zu lassen, die mir mehr "Kopf-Futter" geben. Ansonsten ein schöner Band einer sehr anspruchsvollen Serie, für Fans dieses Genres auf der Suche nach guter Unterhaltung absolut lesenswert. Aus meiner Sicht deutlich besser als vieles, was im immer noch aktuellen Vampir-Liebesgeschichten-Hype gerade auf den Markt geworfen wird.

Things aren't getting any easier for Lucas and Bianca. She's a wraith and Lucas is a vampire the very thing he would prefer to die than become. Now they both have to come to terms with their own Afterlives. Lucas needs to learn how to control his bloodlust and the only place that can help him is Evernight Academy, which is the worst place for a powerful wraith like Bianca. One thing I really enjoyed, but never really thought I'd want to know before I knew were the reasons behind Mrs. Bethany's actions. I'll never agree with her methods, but I understand her more. There is never a dull moment in this book and when it seems like they don't have enough to worry about, something happens to prove there can always be more. It might not have the perfect ending I wanted, but it was perfect for this story and not improbably wrapped in a neat bow. The Evernight series was the second YA series I ever read and one of the reasons I got hooked on series instead of just reading stand-alone books. Claudia Gray has a talent for cliffhangers that leave you on edge and compel you to find out what happens next. The supporting characters are as lovable and developed as the main. I can easily imagine each of them with their own spin-off novels.

Von Miss Page-Turner AFTERLIFE continues the story of Bianca and Lucas seamlessly after HOURGLASS ended with a major cliffhanger. Without much pre-talk or summaries of former events, the actions of AFTERLIFE are put in motion. The focus of this final instalment in the EVERNIGHT series is not just on Bianca's part of the story, but also on Lucas' new life and the constant transformation process he must go through. This time the perspectives of our protagonists are reversed and characters - as readers - get the chance to see what it's like to be in the enemy's body. It is fascinating to examine Lucas' and Bianca's new lives and find out how they cope with an existence that has never been their decision, the existence of a creature that has once been their enemy. AFTERLIFE is further represented by many secondary characters, whose personalities aren't extraordinarily stunning, but who still got a lot of potential and initiate progress with several appearances throughout the story. Claudia Gray's writing style is consistent and as good as in her previous works. With the final novel in the EVERNIGHT series Claudia Gray crosses the line between life and death as never before. It also features an interesting comparison of two concepts of paranormal creatures, vampires and ghosts and offers new perspectives and elements. Although it's the last novel in the EVERNIGHT series, AFTERLIFE isn't as spectacular as expected. The end left me with mixed feelings and didn't really satisfy me, because it is more neutral than a brilliant finish. Nevertheless AFTERLIFE is a great book, because all the characters we've met and learnt to love over the previous three novels come together again for this final episode, for the final battle against enemies and fate. THE VERDICT I give it 3,5/5 stars. Though AFTERLIFE doesn't develop its action the way that I hoped for, it is an absolute must for EVERNIGHT fans. Find out if Lucas and Bianca end up together or if death finally gets its way. I am already looking forward to Claudia Gray's next book, it will definitely find a bookish new home on my shelves.

**Kurzbeschreibung** When Bianca chooses death over becoming a vampire, she doesn't realise that another life lies in store. The fourth and final novel in the internationally best-selling EVERNIGHT series a vampire romance with a shocking twist. Bianca and Lucas have always believed they could endure anything to be together. When a twist of fate not only transforms Bianca into a wraith but also turns Lucas into a vampire the very creature he spent his life hunting they are left reeling. Haunted by his powerful need to kill, Lucas can turn to only one place for help Evernight

Academy. But with the vampire leader of Evernight waging war on the wraiths, Bianca's former home has become the most dangerous place she could be, despite the new powers her ghostly transformation has given her. A battle between wraiths and vampires looms, and Bianca and Lucas face a terrifying new reality. Is their love strong enough to survive after life?
