Von Cara Dee : Aftermath (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Aftermath (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. an engrossing storyVon vpobiThis was an engrossing story, couldn't stop reading. Normally i wouldn't like the leaps between past and present, but here it fits and its important. The writing was easy to find in. All the emotions and what

they are through. I have to know, why they are kidnapped and how they are get free. And if Austin and Cam will be a couple. So i had read the book in short time, all the night through. highly recommended.0 von 0 Kunden fanden die folgende Rezension hilfreich. 4,5 Sterne!Von ZarelaEs ist schon etwas her, dass ich dieses Buch gelesen habe. Als ich es beendet hatte, wusste ich nicht so recht, was ich davon halten soll. Jetzt, nach einigem Abstand, kann ich sagen, dass es eines der Bcher ist, die einen auch nach dem Lesen noch beschftigen. Es ist keine leichte Kost, nichts, was man einfach mal eben so liest. Die Geschichte geht unter die Haut, ist eindringlich und authentisch beschrieben. Und vielleicht ist es das, was das Buch so grausam und wunderbar zugleich macht. Mir ist beim Lesen mehr als einmal die Luft weggeblieben und die Gefhle der Protagonisten wurden teilweise zu meinen eigenen. Buch Nummer 2 aus der Reihe wartet bereits auf meinem SUB, ich bin gespannt, ob es mit dieser Geschichte hier mithalten kann. Leider gibt es ja keine halben Sterne bei , aber ich wrde dem Buch 4,5 Sterne geben :)0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gutes BuchVon ManPitAftermath erzht die Geschichte von 2 Mnnern, die gekidnap, gequilt und gerettet werden. Das Leben danach. Die zwei Hauptcharaktere verlieben sich ineinander.

KurzbeschreibungAustin Huntley and Cameron Nash are like night and day. One is a family man, works in a nice office, drives an expensive car, and is content to be content. The other one is an antisocial car mechanic with a short fuse.Some things dont change. Others definitely do.After surviving a five-month long kidnapping together, they struggle to return to normalcy, all while realizing that they're more drawn to each other than they ever could've imagined."I know I'm not normal, but I'm not fucking stupid.""Define normal," Austin countered quietly, meeting Cam in the doorway. "And for not being normal, you're the only person in the world who makes sense right now. What does that say about me?"Warning: This story contains violence and scenes of an explicit, erotic nature between two men and is intended for adults, 18+.Word count: 62 000KurzbeschreibungAustin Huntley and Cameron Nash are like night and day. Aside from good plot and writing, for me, it boils down to relatable characters. As a writer, Im not finished until the men and women in my books come to life, until I can see them as real people, until I can connect with them. Which means I write what I want to read: everyday heroes and heroines who have the same struggles we all do. They evolve, have flaws, make mistakes and amends, learn, and find the endings they fight for. Those are the characters who take the readers on a journey away from work, laundry, grocery shopping, and to-do lists. When Im not writing, researching, or brainstorming, Im either planning my next trip (never-ending bucket list!), reading, watching hockey, or spending time with family and friends.
