Von Gwynne Forster : Against All Odds (Arabesque) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Against All Odds (Arabesque):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Once Again, Ms. Forster Pens a Winner! Von Ein Kunde Class, style, elegance and passion are only a few of the words to describe Gwynne Forster's romances. And once again Against All Odds fits the bill. Taking the timeless plot of Romeo

and Juliet/family against family, Forster has given this novel a contemporary facelift with the introduction of Melissa Grant and handsome hunk Adam Roundtree. Not only are these two at odds on a professional level but their families hate each other for reasons skillfully revealed throughout the book. The wonderful supporting cast of characters should also have stories of their own. Readers will feel the desire brimming and brewing between Melissa and Adam and root for their union--but being the consummate writer that she is, Ms. Forster makes you wait for the explosion. And the fireworks are well worth the wait! With a plot to "die" for and a romance dreams are made of Against All Odds is a winner. Kudos, Ms. Forster for another job well done.0 von 0 Kunden fanden die folgende Rezension hilfreich. Give and Take, Almost solved....no not yetVon Ein KundeAgainst all odds was very hard to start. It smelled of individualistic attitude for the two leads in the story. Ms. Grant and Mr. Roundtree had an unspoken fire instantly but family ghost hexed the impending union. There were so many twist and turns that the reader could and does get dizzy. I must admit that as I committed large blocks of time to reading this work, it became easier to understand the ins and outs of the author. I can say with all honesty that for a long commute or bus ride this will keep you riveted. Just don't put it down.0 von 0 Kunden fanden die folgende Rezension hilfreich. Gwynne Forster Triumphs -- Whatever the OddsVon Ein KundeThree reasons I love Gwynne Forster's novels: 1. a larger-than-life hunk of a hero, as well known for his integrity as his good looks. 2. A sexy, spirited heroine, who is the perfect match for her guy in both brains and beauty and 3. sparkling, sassy repartee that makes you wish you knew a man who'd say those things to you. Against All Odds has that and more. Ms. Forster elevates the familiar feuding families plotline to a fine art, weaving a sensuous story you simply can't put down. An intense, riveting read from start to finish.

KurzbeschreibungStruggling to keep her corporate-recruiting firm afloat, Manhattan executive Melissa Grant has no time for love. Then Adam Roundtree walks into her life. But the charismatic businessman is no ordinary client. He's the man who can bring Melissa's careerand her heartto lifeuntil a shocking discovery jeopardizes their blossoming relationship.For Melissa and Adam, fate couldn't have played a crueler trick: their families have been embroiled in a stormy feud for generations, turning former business partners into lifelong enemies and leaving a bitter legacy that casts a long shadow. Then someone starts sabotaging Adam's work, and everything points to Melissa. Now they could lose everythingunless their love is strong enough to close the door on the past and open their hearts to the promise of the future.Pressestimmen"Gwynne Forster has penned another extraordinary romance that will grip the reader with its drama, suspense and passion."-- RT Book s on AGAINST ALL ODDSKurzbeschreibungStruggling to keep her corporate-recruiting firm afloat, Manhattan executive Melissa Grant has no time for love.
