Von Radclyffe : Against Doctor's Orders (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Against Doctor's Orders (English Edition):

Kurzbeschreibung There'd been a Rivers at the helm of Argyle Community Hospital for six generations, and Harper Rivers was set to take her father's place whenever he decided to hang up his shingle. Unfortunately, the board of directors had other ideas—they accepted a buyout offer from a health care conglomerate with plans to close the hospital's doors to the community that depended on it. And Presley Worth, a high-powered corporate financier, came to town to oversee the closure. Funny thing was, no one asked Harper, and she had no intentions of following anyone's orders but her own—no matter how beautiful, smart, or commanding the new boss might be.
