don't forget to let him be a christian. This man is a mystery (that's not solved in the end) and the story is outrageous unbelievable - but's real fun!

KurzbeschreibungIts been one long day for Lisa and her headache is living proof of it. Most of it she blamed on the full moon outside. Things always got crazy this time of the month, but this month was exceptional. She needed sleep bad and only hoped the nightmares that haunted her would leave her alone for at least one night. They dont. She wakes up as usual screaming only to find out that her nightmare has just begun, because shes not alone in her room. One man has been gruesomely tortured to death in a ritualistic killing. An entire police precinct has been reconstructed down to the smallest detail in an abandoned warehouse and a mysterious stranger known only as Flint seems to be the cause of it all. Its a case that is fast turning into one big headache for Lisa Tauranto a detective for the NYPD, but it gets much worse when her past, that shes tried so hard to bury, rises up to engulf her in its golden grip once again. Lisa is ripped from the existence that she so pain stakingly built for herself into a mixed up world of intrigue, where nothing is as it seems. Its a fight to survive and to protect what she is sworn to, but will love conquer all? Will she betray her oath to be happy? Does she even have a choice anymore or does a several thousand year old mystery hold enough weight in treasure to drag her down with it? Everyone wants her dead, everyone that is but for one man who is the cause of all her upheaval in the first place. Hes an agent working for someone, but she doesnt know who. She only hopes hes as good as his kisses make her believe him to be.

ber den Autor und weitere MitwirkendeI'm a dreamer, a poet, a lover, a husband, a father, and a man of God. I'm inspired by what I've seen and what I've read, but what I create with my words is where I dream. I pray for inspiration, and I enjoy what I have written just as I hope that others will as well. I'm a quiet man on the outside, but writing has become the playground of my soul to express itself in the grandeur of the created worlds and tales that I have been fortunate enough to dream of. The best way to find out more about me is to read my books. I write from the heart and I express both my shortcomings and my triumphs. I like to think of my writing as 'Reality Fiction'. I tell it like I see it. Life is short and the troubles many, but with faith in Jesus Christ all things have become possible to me. I may write 'make believe', but I strive to live out what I write. I enjoy my work and I hope you do too. Have a blessed time reading my imaginative thoughts.
