Von Andy McNab : Aggressor: (Nick Stone Thriller 8) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Aggressor: (Nick Stone Thriller 8) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The best till date:Von Richard DeanThis is without a doubt Andy's best till date, but having said that everyone of his books are the the best till date until the next one comes out.But maybe this time I'm being a little biased as well, being an ex-squaddie and Yorkie as wellThe way Andy writes about Nick in all of his books, really wants to make you get to know

Nick Stone and become a mate of his, because you just know if get in the brown sticky stuff Nick will turn up and get things sorted. In *Aggressor* it was nice to see Nick getting his stuff/life sorted and this time even though Nick gets dropped in it, it wasn't his fault this time. The ending was obvious but still sad, but couldn't have ended any other way, unless you're an American and always expect a happy end. It's also nice to see that English writers have also recognised the fact that Yorkshire is a part of England, usually characters are either Geordies, Scousers, Brummies, Jocks or Taffs. One again an excellent read, and I have to say a lot better than Chris Ryan's last effort, even though *Blackout* is a good read Chris seems to have lost the plot a bit.... bring back Geordie Sharpe, Chris. Any way back to Andy McNab can't wait for the next one. And Andy should you ever read this... I could do with your help on the book I'm writing at the moment, and I have a feeling only a man of your 7.62mm could help out.

Schauplatz ist mit Georgien ein Ort von dem man sonst nicht viel hrt. Nick Stone ist wieder voll in Action

Kurzbeschreibung The Number One Bestselling Thriller from Britain's original SAS hero. Ex-deniable operator Nick Stone seems to be living his dream, not a care in the world as he steers his camper van round the surfing and parachuting paradise of Australia, a board on the roof, a freefall rig behind him, and a beautiful young backpacker at his side. But when he sees a news report of the massacre of women and children in a terrorist outrage the other side of the world, long-suppressed memories are triggered, and Nick knows he must risk everything to repay a longstanding debt of friendship. As events unfold in the bleak, medieval villages of Georgia and teeming streets of modern Istanbul, Nick finds himself catapulted once more into the murky, clandestine world he thought he'd left behind - a world in the grip of nameless enemies who linger in the shadows, and stalk the corridors of power... Hurlled at breakneck pace through a deadly landscape of greed, violence and ever-shifting allegiances, the reader will be left in no doubt that McNab is the master of the genre - and *Aggressor* shows McNab at his searing, blockbusting best. 'A rollercoaster ride' Guardian
Pressestimmen Addictive Packed with wild action and revealing tradecraft. Daily Telegraph
McNab is a terrific novelist. When it comes to thrills, he's Forsyth class. Mail on Sunday
From the Paperback edition. Werbetext The stunning new bestseller from the author of *Deep Black*.
