Von Arthur Hailey : Airport (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Airport (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. One of my favoritesVon Ein KundeThis is Mr. Hailey's most famous and by far the best book. It plays in an American airport during a major snowstorm. You see the dramatic events through the eyes of very different people with different aims and purposes. The airport officials are giving their best to fulfill their duties, the passengers are trying to go about their

business, a lawyer wants to use the situation to make an easy buck and everything is complicated by some people's personal problems and tragedies. Mr. Hailey is one of the world's best writers, his characters are just fabulous, the plot is exciting and eventful. This novel is definitely worth reading.0 von 0 Kunden fanden die folgende Rezension hilfreich. Technically interesting but full of overcome role modelsVon KundeA lot of action, but contains really strange references to skin color, nationalities, sex and such.I am not sure if the author is serious about this, but anyhow its nice how men/pilots are depicted as complete idiots, cheating on their wives, while the stewardesses have to abort their babies to please the pilots.Shows that things have hopefully changed a lot through time, but kind of frightening.Who would have liked to live in such times?0 von 0 Kunden fanden die folgende Rezension hilfreich. CAUTION: Don't operate a plane while reading!Von Delania CollinsThis book is SCARY! Every fear you have about flying becomes a reality. I don't recommend that the weak-hearted read it. Definetely, don't read it on a plane! Not only is it scary, but it is also a great story with a wonderful and involving plot. You can't put it down! But, you'll want to. .

KurzbeschreibungArthur Haileys blockbuster #1New York Timesbestseller, which was made into a hit film, takes readers behind the scenes of an airport and into the cockpit of a passenger jet during a time of crisisAs a raging blizzard wreaks havoc at Lincoln International Airport outside Chicago, airport and airline personnel try to cope with this unstoppable force of nature that is endangering thousands of lives. And in the air, a lone plane struggles to reach its destination. Over the course of seven pulse-pounding hours, a tense human drama plays out as a brilliant airport manager, an arrogant pilot, a tough maintenance man, and a beautiful stewardess strive to avert disaster.Featuring a diverse cast of vibrant characters,Airportis both a realistic depiction of the airline industry and a novel of nail-biting suspense.This ebook includes a foreword by the author.
