What is really important in life...Von Gertraut SeibLiving in Crantsford seems to be fairly easy, until a girl starts to ask for money in the High Street, pregnant and so hungry, that she faints... And then quite a few characters lives get woven into each other. First it's Ellen, recovering from a bad marriage and her wise young son Simon, living in a cottage and

having started her own flower-business to get back on her feet; then her not so nice old friend Hermione, who owns a great hulk of a house and is unable to meet with its demands any more and, regrettably to say, does not use the wisdom age should give her in the right way. Her friend Bernie, who sometimes would need a sticking plaster across his mouth but is otherwise all right, Duncan, the solicitor, who is confronted with his past and fails miserably and Nadia, his thoroughly disgusting stepmother; Matthew, Hermione's stepson, who is one of the quiet, rather helpful sort (I guess, I like this character best) and his love for Ellen on sight; Susie and her Bonkers, they all try to help or to undo Jo Jo, the pregnant schoolgirl, who just wanted to be loved by someone and look where it got her....I read it twice, this book, before writing a review. And funnily because of Hermione it gets only 4 stars, for a friend, who blabs everything to all others what you tell them....Well, read for yourself!0 von 0 Kunden fanden die folgende Rezension hilfreich. Elegantly written novelVon Ein KundeI enjoyed James' style of writing although it could be plain sometimes. The plot is very interesting, something that could happen to anyone (divorce, teenage mother, snobbish neighbors). It is one of those books you smile after you're done w/ the book. Definetely a good read!0 von 0 Kunden fanden die folgende Rezension hilfreich. a delightful story set in rural EnglandVon Ein KundeAn absorbing story about country fol

KurzbeschreibungA wonderfully fresh novel about love and life from the Sunday Times bestselling author. Ellen has been living on her own in a picturesque if damp cottage in Cheshire since her husband abandoned her to go and live with another woman in Provence. Having married once for love, she is now determined that the second time around it will be for money. Close at hand is Duncan, her not unattractive, and enticingly single, divorce lawyer...But then two new people enter her life: Jo-Jo, a homeless girl several months pregnant, and Matthew, an artist who paints murals in country houses and who, on first meeting Ellen, openly criticises her for being mercenary and devious. But, as hostility gives way to friendship, Ellen realises that she has wavered off course from her original plan and has to remind herself very strongly indeed that Duncan is the man for her...WerbetextA wonderfully fresh novel about love and life from the Sunday Times bestselling author.KurzbeschreibungA wonderfully fresh novel about love and life from the Sunday Times bestselling author.
