Von Kennedy Hudner : Alarm of War (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alarm of War (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. exceeding expectationsVon Bob Leserattefans of military SF will find this book to be perfectly entertaining, touching and exceeding expectations. As opposed to some "books" published by other authors in this genre, it is a complete story instead of a cliff-hanger sequel without a proper ending. Hudner even includes some drawings of tactical manoevers proving he actually thought this through... the books ends with a victory, but the war has not been won yet - not by a long shot! So we can look forward to more, much more. May the Victorians be victorious! ^^0 von 1 Kunden fanden die folgende Rezension hilfreich. Highlight!Von fixreich kann nur hoffen, dass der Autor uns nicht warten lsst mit der Fortsetzung!Selten so "gestress" gewesen!Congratulations, Mr. Kennedy Hudner.....0 von 0

I read the last 3 months about 25 books, which are all kind of sci-fi books and I have to admit it's with Poor Man's Fight Series the best read. It's complex the characters are likable and have their own quirks, the battles are well written and I like the carrier idea, which are often missing in other sci-fi series. 1 Point I have to criticize the antagonist who is kind of plain. Even Admiral Kaiser didn't polarize too much, but that's picking on a really high level and it's the first book besides GoT I rated with 5 stars.

Kurzbeschreibung Intrigue. Betrayal. A devastating surprise attack and a frantic fight to survive. Gritty warfare in space as four young officers respond to the alarm of war. Four officer cadets in the Victorian Fleet meet in training camp. Emily, the young woman who dreams of becoming a Fleet historian, but discovers her real talents lay elsewhere. Grant, the arrogant son of Victoria's most famous admiral. Hiram, the nervous but brilliant strategist, and Cookie, intent on joining the Fleet Marines. Together, they survive the trials and hardships of training to join the Fleet, unaware that their home is about to be plunged into a maelstrom. For three hundred years, the Kingdom of Victoria has enforced peace across the galaxy. But it has grown complacent, and its enemies are ready to strike. The Tilleke Empire and the Dominion of Unified Citizenry have been waiting a long time, and now is their chance. As their web draws closed around Victoria, the band of new officers find themselves on the last line of defense. They've been well trained but will it be enough to save the Kingdom?
