KurzbeschreibungAnother stunning novel by the author of The Alchemist.Aleph marks a return to Paulo Coelho's beginnings. In a frank and surprising personal story, one of the world's most beloved authors embarks on a remarkable and transformative journey of self-discovery.Facing a grave crisis of faith, and seeking a path of spiritual renewal and growth, Paulo decides to start over: to travel, to experiment, to reconnect with people and the world. On this journey through Europe, Africa, and Asia, he will again meet Hilalthe woman he loved 500 years before an encounter that will initiate a mystical voyage through time and space, through past and present, in search of himself.Aleph is an encounter with our fears and our sins; a search for love and forgiveness, and the courage to confront the inevitable challenges of life.Pressestimmen'His books have had a life-enhancing impact on millions of people.' THE TIMES 'One of the few to deserve the term Publishing Phenomenon.' INDEPENDENT ON SUNDAY 'Coelho's writing is beautifully poetic but his message is what counts...he gives me hope and puts a smile on my face.' DAILY EXPRESS
