Von Newton Thornburg : Cutter and Bone (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cutter and Bone (English Edition):

Stumbling narrativeVon CTerThe book rambles like stream of consciousness with no consciousness behind it, incorporates the meaninglessness it conveys , in my view. Not a thriller so much as a piece of nihilism. It is about failure.1 von 1 Kunden fanden die folgende Rezension hilfreich. berraschend gutVon waldmeister10245Thornburg, in

Deutschland offenbar bisher kaum gedruckt, ist eine Entdeckung für Leser, die Spannung schätzen, die stärker aus der psychologischen Situation der Figuren wächst als aus deren Bedrohungen. Wie der Autor diese Spannung aufbaut, ist meisterhaft.

Kurzbeschreibung "A thriller, and a whacking good thriller, too shows how much can be done by a writer who knows his business the best novel of its kind in ten years!" THE NEW YORK TIMES Cutter is a scarred and crippled Vietnam veteran, obsessed with a murder he's convinced his buddy, Bone, witnessed. That it was committed by the powerful tycoon JJ Wolfe only makes Cutter even surer that Bone saw the unthinkable. Captivated by Cutter's demented logic, Bone is prepared to cross the country with Cutter in search of proof of the murder. Their quest takes them into the Ozark home base of the Wolfe empire where Bone discovers that Cutter is pursuing both a cold-blooded killer, but also an even bigger and more elusive enemy.
