Von Mickie B. Ashling : Cutting Cords (Cutting Cords Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cutting Cords (Cutting Cords Series Book 1) (English Edition):

Kurzbeschreibung When Sloan Driscoll and Cole Fujiwara become reluctant roommates, neither man is willing to share too much. Sloan is instantly attracted to Cole but knows it's a hopeless cause; Cole has a steady girlfriend. But one night they share a joint, and Cole opens a window neither anticipated. A relationship may be impossible both men are living with heart-breaking secrets. While Sloan is smart, sassy, and a brilliant graphic artist, he's also a pothead with severe body image problems. Cole, a former major league pitcher, has his own personal crisis: he's going blind. Sloan and Cole are suffering on so many levels, they might not realize that the ultimate salvation could be within each others arms.
