steamy Von Isabella Norton A steamy shortstory. The story is graphic but it gives enough space to let the fantasy run free. Not too dirty.

Kurzbeschreibung Olivia slipped away in the middle of her fathers stuffy dinner party when his boss, the CEO, entered the bathroom, where shed hidden to smoke a joint. With all the confidence of a man never turned down, he helped himself to more than the last of her stash. Attention: BUYER BEWARE; subject matter too controversial for
